Is hereby authorized to discharge domestic septage waste at the Town of Jaffrey Wastewater Treatment Plant (WWTP) Septage Receiving Station located at 70 Old Sharon Road.

Compliance with this permit does not relieve the permitted of his/her responsibility to comply with any or all Federal, State, and Local laws, regulations, and ordinances currently existing or which may become effective during the term of this permit. Noncompliance with any term or condition of this permit shall constitute a violation of the Sewer Use Ordinance.

The permittee may appeal or challenge any conditions imposed in this permit by filing a request for modification within thirty (30) days of the date of permit issuance. Failure to do so within the allotted time will be considered a waiver of the hauler's right to appeal.

The wastewater plant does not accept payments at the time of disposal. All haulers will be billed by the Town of Jaffrey.

Permittee shall attach copies of NHDES Septage Hauling Permit(s) and Certificate of Insurance.

This permit is effective from February 1, 2023 until January 31, 2025.

Application for renewal must be received at least ten (10) days prior to the expiration date and submitted with a New Hampshire DES Septage Haulers License and Certificate of Insurance.
