

Town of Jaffrey

New Hampshire

2018 Annual Report

Dedication

William Driscoll

The Town's Annual Report is a time to recount events and milestones of the past year. It's also a time to salute those individuals that create the character of our Town.

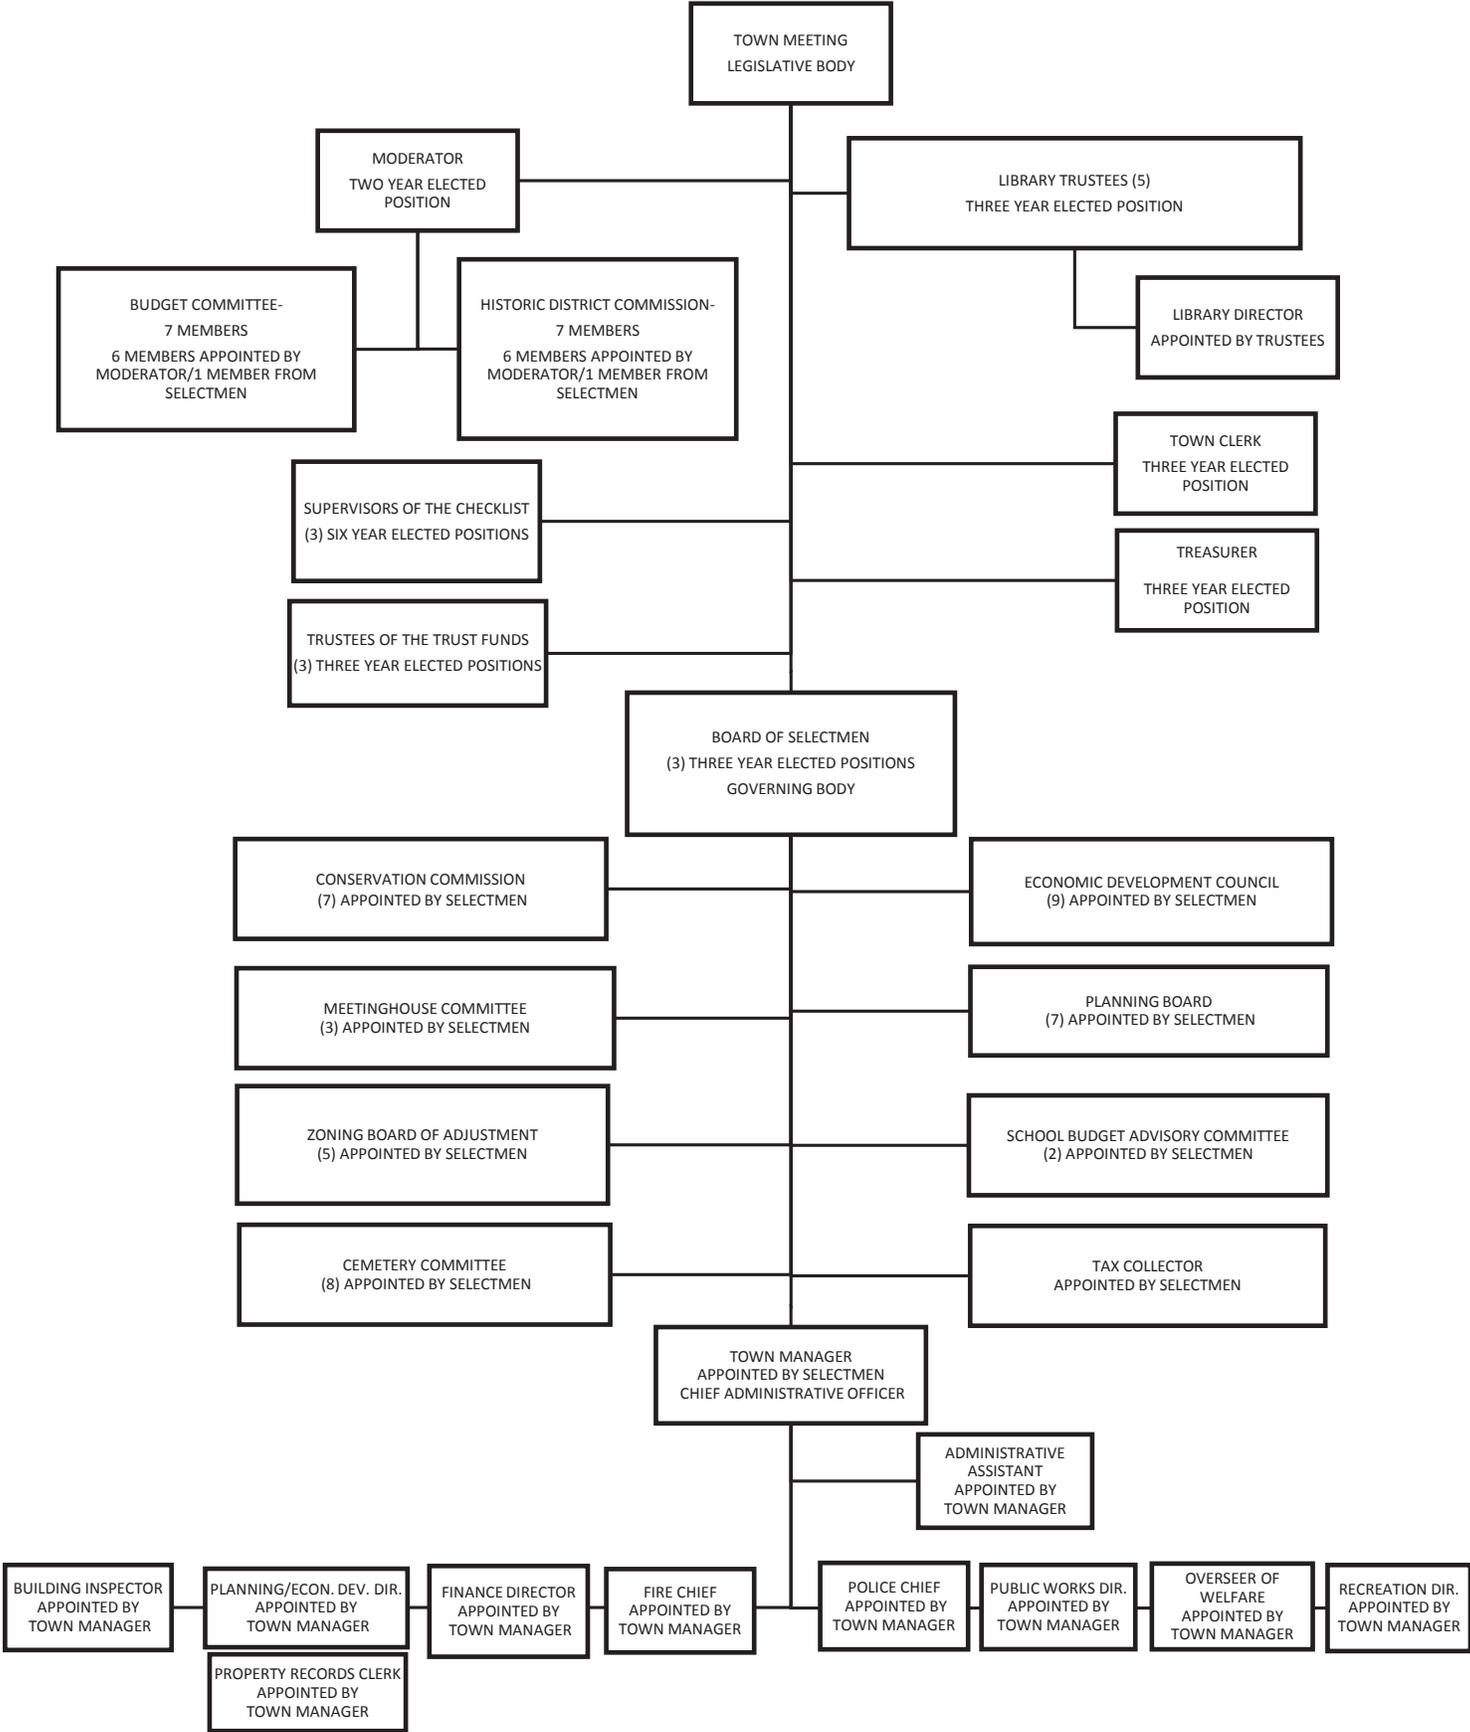

This year's Annual Town Report is dedicated to William Driscoll, a character if there ever was one! Bill is always ready with a smile and a handshake to all those he encounters. Jaffrey wouldn't be Jaffrey without Bill.

RESULTS OF THE
ANNUAL TOWN MEETING
MARCH 17, 2018

Art. 3. To see if the Town of Jaffrey will vote to allow the operation of KENO games within the Town pursuant to the provisions of NH RSA 284:41 through 51. (By Official Ballot)

Yes 697 No 688

Art. 4. To see if the Town will vote to adopt the following amendment to the Jaffrey Transfer Station/Recycling Ordinance, as proposed by the Jaffrey Select Board, to be voted on by Official Ballot: (The exact text of the proposed change is available at the Town Clerk’s and Town Manager’s Offices and on the Town website on the Town Manager page).

1. Are you in favor of amending Article VI: Acceptable Wastes to add the language: The Selectmen may, to recover or defer costs incurred by the Town for acceptable wastes, utilize scale and disposal services from outside sources for the disposition of construction and demolition waste?

Yes 761 No 593

The meeting was called to order at 9:07am. The attendants were asked to stand as the Jaffrey Girl Scout Green White Mountain Troop presented the colors and Charlotte Hutchinson, Addy Cummings, Caitlynn Melodino, Samantha Greenough, and Alyssia Maki lead the assembly in the Pledge of Allegiance. Freshman, Hannah Lambert from Conant High School sang the National Anthem.

Mr. Marc Tieger then asked everyone to be seated. Marc spoke a few words of wisdom and then asked the audience to join him in a few moments of silence of meditation and reflection. Mr. Marc Tieger then introduced the head tables: The Board of Selectmen, Department Heads, Town Manager, Budget Committee, and Supervisors of the Checklist.

Mr. Tieger encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food group for the Jaffrey Fire Department as well as the Girl Scouts cookie booth. Mr. Tieger then welcomes everyone and proceeds by going over the guidelines for how our town meeting is conducted.

Marc Tieger then turned the meeting over to Chairman of Board of Selectman, James Cush Moore.

The resolutions were accepted by acclamation.

James Cush Moore then announced Kamryn Coll, who was voted Youth Volunteer of the year and Selectman Frank Sterling for Volunteer of the Year for the Town of Jaffrey. He also adds that Frank, out of any person that has served as Selectman, Frank Sterling has served 5 terms for the Town of Jaffrey for a total of 15 years. An applause was given.

Marc Tieger then introduces our Town Manager, Jon Frederick who will give the state of the Town.

Jon Frederick first thanks everyone for the nice welcome that he and his wife, Lyn received when they first moved into town. He then welcomed all new town employees; Kelly Sawtelle (Finance Assistant), Judy Roberts (Municipal Assistant Clerk), Becky Newton (Property Records), Todd Muilenberg, Brian Riley, and Amanda Swanson (Police Department), Alyson Montgomery (Library), Jeff Wright (Highway Department), and Cara Campbell, Cody Hautanen, Nicholas

Bergeron, Shawn Daley, and Steven Turilli (Fire Department).

Jon then spoke about the incredible act of team work that the town office employees showed when we all came together in handling the absentee ballots; as well as Town Election the following day, in the snow storm with roughly 1000 voters that showed up to vote and for the election officials and all whom helped to conduct a great Town Election.

Jon recognized the DPW department for keeping the roads clear along with the VFW driveway, also to the citizens and volunteers who stood in the snow and cold all day long and most importantly, to the voters that made their way out in the storm to cast their vote, Thank you! After all recognition, Jon then goes into the state of finance and in closing he thanks the budget committee for a job well done and to the staff for their commitment and support. Also to the citizens for coming out and being at Town Meeting.

Marc Tieger then announced his Assistant Moderator, Bernie Hampsey who would be over seeing the ballot box for any secret ballot.

Frank Sterling then gave proclamation to:

Whereas, James Cush Moore served the Town of Jaffrey for 3 years with honor and distinction as a member of the Board of Selectman;

Now, therefore, be it resolved and proclaimed in the Town Meeting convened March 17th, 2018, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.

Marc Tieger then goes over some ground rules. He announces that there has been a request for a secret ballot for Art. 36. Marc also introduces the microphone runners from the Youth Advisory Committee: Kamryn Call, Samantha Greenough and Patrick Greenough.

Mr. Tieger thanks Steve Rigopolous for the Town Election/Town Meeting banner that he does every year.

Mr. Tieger stated that the warrant had been posted at the Jaffrey Public Library and Post Office. Mr. Tieger proposed to waive reading of the Warrant in its entirety. It was so moved and seconded.

Marc Tieger then read the results from Tuesday's voting.

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Selectman Frank Sterling moved and addressed the article. Selectman James Weimann seconded. Frank Sterling amended the article for the corrections that were made in the Town Report. Moderator Marc Tieger then re-read the article to state amendment to be accepted and as read as amended. Frank Sterling then spoke on amended article. With no discussion the amended article

was moved to a vote. **The article passed by voice vote.**

Selectman James Cush Moore then stood to ask for a quick break so he may have a moment to share the good news regarding the Town Meetinghouse. James Cush Moore spoke briefly on the project of the meetinghouse roof mentioning that when it first came up it was architecturally estimated to be over \$100,000 dollars and thinking, wow, that is a lot. However, looking at last year's slide and with all donations James Cush Moore felt it was very important to announce those whom made a donation, being; The Bean Family Foundation, Historic District Commission, a Private Individual, Terra Nova Trust, along with our Moose Grant which we received of \$10,000. Also, the primary support on this was the LChip (Land & Community Heritage Investment Program) being a State-run program. Brad Davis Construction was the company submitting the winning bid of \$70,000 dollars. With that being said; James Cush Moore was pleased to announce Town Meetinghouse roof cost the Town of Jaffrey a total of \$4,310.00.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$600,424 (Six Hundred Thousand, Four Hundred and Twenty Four Dollars) to pre-pay and retire the debt service incurred by the Town for the Squantum Road Well Project and the Fire Truck Capital Lease:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman -	one person for three-year term
Trustee of Trust Funds -	one person for three-year term
Library Trustees -	two people for three-year terms
	one person for two-year term
Supervisor of the Checklist -	one person for six-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk’s and Planning Offices and on the Town website on the Planning and Economic Development page).

1. Are you in favor of Amendment #1 to the Land Use Code to amend Section II: Definitions, to add the definition of duplex and amend Section IV: District Regulations and Permitted Uses to include duplex where two family is allowed?

LAYMAN’S LANGUAGE: The purpose of the proposed change is to clarify that where two family units and/or duplex units are allowed, then either can be allowed in the Rural, Residential B and General Business Districts.

YES

NO

Art. 3. To see if the Town will vote to raise and appropriate the sum of up to \$2,840,000 (Two Million, Eight Hundred Forty Thousand Dollars) for the purpose of Replacement and Rehabilitation of Water Lines, and any other costs related thereto, and to authorize the issuance of not more than \$2,840,000 (Two Million, Eight Hundred Forty Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; further, without impairing the status of this bond as a general obligation of the Town, it is intention and expectation of the Selectmen that debt service on this bond will be shared between the Water User fees (2/3) and general taxation (1/3). *Recommended by the Select Board (3-0).* **2/3 Ballot Vote Required**

LAYMAN’S LANGUAGE: In 2013, the Water Department received a 100% grant from the NHDES to complete a Water System Asset Management study. This study evaluated the major buried infrastructure (water mains) and prioritized a water main replacement project based on the age of the pipe, the available fire flow, and proximity to critical customers. This study identified over 45,500 linear feet of larger and smaller diameter water mains that need to be rehabilitated or replaced. In 2015, the town commenced with systematic plan to begin replacing these mains with the replacement of over 12,000 feet of mains on Main Street and Mountain Road. This year, the Water Department proposes to replace approximately 13,251 linear feet of water mains on School Street, Stratton Road and Squantum Road, with the potential addition of Aetna, Wheeler and Lawrence Streets. The project is listed on the FY2019 NHDES Project Priority List and would be eligible for principal forgiveness. The amount of principal forgiveness will be determined following completion of the project. When this project is complete, the Town will be over 50% complete on water main replacement projects identified in the Water System Asset Management study.

Art. 4. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN’S LANGUAGE: The purpose of this article is to accept all reports as printed

in the Town Report.

Art. 5. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 950,912
Sewer Department	<u>\$ 2,028,591</u>
	\$ 2,979,503

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN’S LANGUAGE: This article provides the funds necessary to operate the Town’s Water and Sewer Departments on an annual basis.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$6,688,733 (Six Million, Six Hundred Eighty-Eight Thousand, Seven Hundred Thirty-Three Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$160,000 (One Hundred Sixty Thousand Dollars) to be deposited into the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new, or the refurbishment of existing highway equipment. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$160,000 into the Highway Department Capital Reserve Fund for future equipment replacement. The current balance of the account as of 12/31/2018 was \$292,314. Approval of this article would bring the reserve fund balance to \$452,314.

Art. 8. To see if the Town will vote to raise and appropriate the sum of up to \$176,500 (One Hundred Seventy-Six Thousand, Five Hundred Dollars) to purchase a new Highway loader, and authorize the withdrawal of up to \$176,500 (One Hundred Seventy-Six Thousand, Five Hundred Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will fund the replacement of the 2004 CAT Loader that is slated for replacement in the Capital Improvement Plan. All funds come from the Capital Reserve Fund and have no direct impact on the tax rate. Approval of this article would bring the reserve fund balance to \$275,814, assuming Article 7 is approved.

Art. 9. To see if the Town will vote to raise and appropriate the sum of up to \$108,500 (One Hundred Eight Thousand, Five Hundred Dollars) to purchase a new Highway dump truck and plow and authorize the withdrawal of up to \$108,500 (One Hundred Eight Thousand, Five Hundred Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will fund the replacement of the 2009 one-ton dump truck and plow that is slated for replacement in the Capital Improvement Plan. All funds come from the Capital Reserve Fund and have no direct impact on the tax rate. Approval of this article would bring the reserve fund balance to \$167,314, assuming Articles 7 and 8 are approved.

Art. 10. To see if the Town will vote to raise and appropriate the sum of up to \$59,000 (Fifty-Nine Thousand Dollars) to purchase a new Highway utility pickup truck and plow and authorize the withdrawal of up to \$59,000 (Fifty-Nine Thousand Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will fund the replacement of the 2010 utility truck and plow that is slated for replacement in the Capital Improvement Plan. All funds come from the Capital Reserve Fund and have no direct impact on the tax rate. Approval of this article would bring the reserve fund balance to \$108,314, assuming Articles 7, 8 and 9 are approved.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be deposited into the Town Office Capital Reserve Fund established in 2017 for the purpose of acquiring land, completing design and engineering and constructing a Town Office building. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$50,000 into the Town Office Capital Reserve Fund for future construction of a Town Office. The balance of the account as of 12/31/2018 was \$101,072.

Art. 12. To see if the Town will raise and appropriate \$60,000 (Sixty Thousand Dollars) to be deposited into the Fire Department Capital Reserve Fund established in 1996 for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$60,000 into the Fire Department Capital Reserve Fund for future equipment replacement. The balance of the account as of 12/31/2018 was \$264,452.

Art. 13. To see if the Town will vote to raise and appropriate the sum of up to \$30,000 (Thirty Thousand Dollars) to refurbish Hose Truck Number 1 and to authorize the withdrawal of up to \$30,000 (Thirty Thousand Dollars) from the Fire Department Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will fund the refurbishment of Hose 1, extending its life and allowing removal from the equipment replacement schedule. Hose 1 is slated for replacement in 2024 at an estimated cost of \$550,000. Refurbishment work in 2019 eliminates the need to replace Hose 1. Approval of this article would bring the reserve fund balance to \$294,452, assuming Article 12 is approved.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$40,000 (Forty Thousand Dollars) to be deposited into the TIF District Capital Reserve Fund established in 2017 for the purpose of funding infrastructure enhancements to the Downtown area. Funds are to come from the Downtown Tax Increment Finance District. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$40,000 into the TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Downtown area. All funds will come from the TIF District and have no impact on the tax rate. The balance of the account as of 12/31/2018 was \$80,857.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) to be deposited into the Land Acquisition Capital Reserve Fund established in 2008 under the provisions of RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve for future purchase of land or conservation easements. The balance of the account as of 12/31/2018 was \$45,871.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Cemetery Trees Trust Fund established in 2007. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: The Cemetery Trees Trust Fund was established in 2007 to set aside funds for the care and removal of trees in the Town's cemeteries. A separate private fund has been established for the same purpose. Older trees are of concern as falling branches can cause expensive and sometimes irreparable damage to historic gravestones. As of 12/31/18, the balance of the Town fund was \$3,910 and the private fund balance was \$34. The private and public funds are accounted for separately by the Trustees of the Trust Funds.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Gravestone Restoration Trust Fund established in 2000. Furthermore, to appoint the Selectmen as agents to expend from the fund. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility. As of 12/31/18, the Fund balance was \$7,070. Currently, any expenditures from the fund would require Town Meeting approval. Designating the Selectmen as agents to expend would allow the town to address gravestone issues in a timely manner.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$3,000 (Three Thousand Dollars) to be deposited into the Meetinghouse Trust Fund established in 1991. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: The Meetinghouse Fund was created in 1991 to support major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse. The balance of the Meetinghouse Trust Fund as of 12/31/2018 was \$6,079.

Art. 19. To see if the Town will vote to raise and appropriate the sum of \$200,000 dollars (Two Hundred Thousand Dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$200,000 into the Municipal Building Maintenance Capital Reserve Fund for major maintenance of municipal

buildings. The balance of the account as of 12/31/2018 was \$117,448. \$1,000 was placed in the fund in 2017 and 2018. Expenditures in 2018 included Town Office HVAC replacement design, Meetinghouse roof, Town Office entry stoop and door replacement, and the Humiston Field irrigation and storage building wall replacement. The Capital Improvements Plan would fund all identified projects over the six-year plan with \$200,000 annual funding. 2019 projects include installation of a dehumidification system at the Fire Station, installation of a plumbed toilet at the Transfer Station and paving of the Library parking lot.

Art. 20. To see if the Town will vote to raise and appropriate the sum of \$120,000 (One Hundred Twenty Thousand Dollars) to be deposited into the Bridge Rehabilitation Capital Reserve Fund established in 2017 for the purpose of design, engineer and rehabilitate bridges throughout Jaffrey. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will place \$120,000 into the Bridge Rehabilitation Capital Reserve Fund to fund future improvements to deteriorating bridges. The balance of the account as of 12/31/2018 was \$101,072. The Capital Improvements Plan identified \$120,000 as sustainable funding for future bridge maintenance. The Town’s red list bridge on Nutting Road is currently under design and is approved under the NHDOT Municipal Bridge Replacement Program and would be eligible for 80% reimbursement funding.

Art. 21. To see if the Town will vote to establish a capital reserve fund under RSA 35 for the purpose of purchasing new or refurbishing existing police cruisers, to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be deposited into this fund (to be known as the Police Cruiser Replacement Capital Reserve Fund), and to designate the Select Board as agent to expend. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This article will create a Capital Reserve Fund to replace police cruisers. The typical life span of a police cruiser is five years due to their intensive use and extensive idling hours. \$50,000 on an annual basis would permit the replacement of police cruisers two out of every three years.

Art. 22. To see if the Town, if Article 21 is defeated, will vote to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) for the purpose of purchasing a new Police cruiser. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: If Article 21 is voted down, this article would authorize the replacement of the 2014 Ford Explorer police cruiser. As of 2/1/2019, this cruiser had 132,208 miles and 5,388 engine idle hours – the equivalent of 310,612 miles.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$29,500 (Twenty-Nine Thousand, Five Hundred Dollars) for the purpose of engineering and complete streets design for School Street improvements. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: The Jaffrey-Rindge School District has designed traffic flow alterations to the Jaffrey Grade School, including a bus lane on School Street. Their design does not take into account the traffic flow on the entire street, nor the design from the Complete Streets traffic calming demonstration conducted in 2017. Alterations to traffic flow on School Street should be designed appropriately to address traffic and pedestrian issues on the entire street to ensure the street functions well as a whole.

Art. 24. To see if the Town will vote to raise and appropriate the sum of \$803,617 (Eight Hundred Three Thousand, Six Hundred Seventeen Dollars) for the purpose of rehabilitating and constructing sidewalks along Peterborough Street and Stratton Road. Said funds to come from NH Department of Transportation, Transportation Alternatives Program Grant in the amount of \$642,894 with the balance to come from \$121,804 from Downtown TIFD and \$38,919 from general taxation. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: The purpose of this project is to create safe and accessible pedestrian and bicycles travel ways on Stratton Road and Peterborough Street to improve connectivity to downtown Jaffrey. This objective has been identified as a priority in the Master Plan, Transportation Plan, Downtown Plan, and Complete Streets Policy and Guidelines. This project completes the first phase of planned bike and pedestrian improvements in downtown Jaffrey. Phase 2, the extension of the rail trail from Webster Street to Ridgecrest Road, will be subject to a grant application through the Recreation Trails Program in the spring of 2019. Financing for the project is split 80/20, with the Town responsible for 20%. State grant funds are \$624,894 and Town funds are \$160,723.

Art. 25. To see if the Town will raise and appropriate the sum of \$30,000 for support of the Jaffrey-Rindge Memorial Ambulance, a non-profit agency, or take any action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

Art. 28. To request the Town of Jaffrey to raise and appropriate the sum of \$9,500 to support The Community Kitchen, Inc. located in Keene, NH for services provided to Jaffrey residents. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$9,000. 75 Jaffrey residents received 21,555 meals at a cost of \$32,332 in 2018.

Art. 29. To see if the Town will raise and appropriate the sum of \$6,821 for the support of Monadnock Family Services, a non-profit agency providing services to the Town, or take any other action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$6,821. Request is based on \$1.25 per Jaffrey resident. Served 85 Jaffrey clients in 2018, including 13 individuals multiple times at adult day care.

Art. 30. To see if the town will vote to raise and appropriate the sum of \$4,989 to Southwestern Community Services, Inc. (SCS), a private non-profit, Community Action Agency. In 2017-2018, SCS provided 991 units of service to the citizens of Jaffrey totaling \$498,986.36 in direct assistance. SCS is requesting 1% of the amount of that direct assistance equaling \$4,989. The 1% request results in a moderate decrease (\$942) from the amount requested in the previous year. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$5,931.

Art. 31. To see if the Town will raise and appropriate the sum of \$4,000 for support of the Jaffrey Civic Center, a non-profit agency, or take any action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$3,500. Provided meeting space to 40 organizations in 2018.

Art. 32. To see if the Town of Jaffrey will vote to raise and appropriate the sum of Two Thousand dollars (\$2,000) for the purpose of funding the Community Volunteer Transportation Company programs and services for the people of greater Contoocook Valley area. This amount represents the Town of Jaffrey's portion of the funds needed to support Community Volunteer Transportation Company, a nonprofit service organization; or take any other action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town received for a program which provides a benefit to Jaffrey and the region. 2018 appropriation - \$2,000. Received 785 ride requests from 51 Jaffrey residents. 14 volunteer drivers live in Jaffrey.

Art. 33. To see if the Town of Jaffrey will raise and appropriate the sum of \$1,500 for support of The River Center, a nonprofit agency providing the following services to the citizens of Jaffrey: Early home support, Parent and Child programming, Information and Referrals, as well as the Money Matters program, which includes our free tax program for low and moderate income households and money coaching. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$1,500. 138 Jaffrey residents were served 369 times in 2018.

Art. 34. To request the Town of Jaffrey to raise and appropriate the sum of \$2,500 to support Hundred Nights, Inc. located in Keene, New Hampshire for shelter and resource center services provided to Jaffrey residents. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This is a petition article that the Town received for the first time in 2018 and provides a benefit to Jaffrey and the region. 2018 appropriation - \$400. Two Jaffrey residents utilized 119 nights at the shelter and 5 residents used the resource center 295 times in 2018.

Art. 35. To see if the town will vote to raise and appropriate the sum of \$2 per person = \$10,914 for support of Reality Check, a 501c3 non-profit agency, for drug and alcohol prevention, treatment, and recovery services provided to Jaffrey. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This is a petition article that the Town received for the first time in 2018 and provides a benefit to Jaffrey and the region. 2018 appropriation - \$10,914. Request is based on \$2 per Jaffrey resident.

Art. 36. To see if the town will vote to raise and appropriate the sum of \$2,500 (Two Thousand Five Hundred Dollars) in support of Contoocook Lake Preservation Association (formed August 1969) (CLAPA) is a non-profit 501c3 organization whose sole purpose, as its name states, is to preserve Contoocook Lake and its watershed (monies will be used for variable milfoil weed control using divers for hand weeding along with PROCELLACOR EC Treatment). CLAPA is a members association NOT an owners’ association; therefore membership is open to ALL. CLAPA’s web site: www.contoocooklake.org. Using US Census 2016, population of Jaffrey, NH is (5,245); the support that each resident would contribute to the preservation of Contoocook Lake would be (\$2500 divided by 5,245 or 47.7 cents per resident). (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN’S LANGUAGE: This is a new petition article for services provided to Contoocook Lake.

Art. 37. To see if the Town of Jaffrey will re-affirm the importance of its recognition of proudly honoring veterans, and all veterans, by observing Veterans Day at 11:00 am on the 11th day of the 11th month of the year. This day, originally named Armistice Day, was established to commemorate the ending of World War I, "The Great War", in 1918.

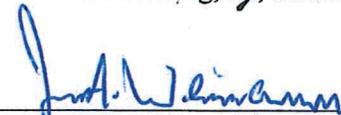

Given under our hands, February 11, 2019.

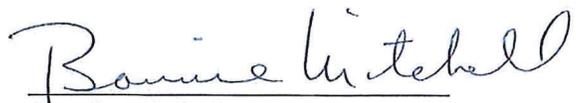

We certify and attest that on or before February 25, 2019, we posted a true and attested copy of the within Warrant at the place of meeting, Ernest J. Pratt Auditorium, and like copies at the Veterans of Foreign Wars Post 5613, Town Office, and the Town Library, and delivered the original to the Town Clerk.

LAYMAN'S LANGUAGE: The original Warrant will be posted at the aforementioned locations. The Layman's Warrant contained herein will be posted in the Town's Annual Report.

OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVICES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

**INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN
TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES**

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

FINANCIAL REPORTS

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

Additional Offices:
Andover, MA
Greenfield, MA
Manchester, NH
Ellsworth, ME

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2017, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2017, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, and the Pension schedules appearing on pages 45 - 46 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Jaffrey, New Hampshire, we offer readers this narrative overview and analysis of the financial activities of the Town for the year ended December 31, 2017.

A. OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements comprise three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets, liabilities, and deferred outflows/inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, sanitation, health and welfare, culture and recreation, conservation, and economic development. The business-type activities include water activities.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary funds. Proprietary fund reporting focuses on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. The proprietary fund category includes enterprise funds.

Enterprise funds are used to report activity for which a fee is charged to external users, and must be used when one of the following criteria are met: (1) activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges, (2) laws or regulations require the activity's costs of providing services be recovered with fees and charges, and (3) the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs such as depreciation or debt service. The primary focus on these criteria is on fees charged to external users. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Specifically, enterprise funds are used to account for the water operations, which is considered to be a major fund.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

B. FINANCIAL HIGHLIGHTS

- As of the close of the current year, the total of assets and deferred outflows exceeded liabilities and deferred inflows by \$23,086,067 (i.e., net position), a change of \$1,507,236 in comparison to the prior year.
- As of the close of the current year, governmental funds reported combined ending fund balances of \$6,948,067, a change of \$(69,807) in comparison to the prior year.
- At the end of the current year, unassigned fund balance for the general fund was \$1,874,126 a change of \$(364,163) in comparison to the prior year.

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following is a summary of condensed government-wide financial data for the current and prior years (in thousands).

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year, total net position was \$23,086,067, a change of \$1,507,236 from the prior year.

The largest portion of net position \$17,839,938 reflects our investment in capital assets (e.g., land, buildings, machinery, equipment, and infrastructure), less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$3,849,042 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$1,397,087 may be used to meet the government's ongoing obligations to citizens and creditors.

Governmental activities. Governmental activities for the year resulted in a change in net position of \$46,466. Key elements of this change are as follows:

General fund operations, as discussed further in Section D	\$ (322,816)
Major sewer fund operating results	10,134
Nonmajor funds accrual basis	879,199
Depreciation expense in excess of principal debt service	(565,603)
Change in net pension liability	394,839
Change in deferred inflows	(151,566)
Change in deferred outflows	(508,932)
Change in long-term liabilities	121,465
Other GAAP accruals	<u>189,746</u>
Total	<u>\$ 46,466</u>

Business-type activities. Business-type activities for the year resulted in a change in net position of \$1,460,770 for water operations.

D. FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of \$6,948,067, a change of \$(69,807) in comparison to the prior year. Key elements of this change are as follows:

General fund operating results	\$ (322,816)
Major sewer fund operating results	10,134
Nonmajor fund operating results	<u>242,875</u>
Total	<u>\$ (69,807)</u>

The general fund is the chief operating fund. At the end of the current year, unassigned fund balance of the general fund was \$1,874,126, while total fund balance was \$3,116,701. As a measure of the general fund's liquidity, it may be useful to compare

both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

<u>General Fund</u>	<u>12/31/17</u>	<u>12/31/16</u>	<u>Change</u>	<u>% of Total General Fund Expenditures</u>
Unassigned fund balance	\$ 1,874,126	\$ 2,238,289	\$ (364,163)	28.9%
Total fund balance	\$ 3,116,701	\$ 3,439,517	\$ (322,816)	48.1%

The total fund balance of the general fund changed by \$(322,816) during the current year. Key factors in this change are as follows:

Revenues less than budget	\$ (7,906)
Expenditures less than budget	327,277
Use of fund balance as a funding source	(767,610)
Expenditures of current year encumbrances exceeding current prior encumbrances	(22,943)
Tax collections in excess compared to net levy	151,010
Change in capital reserve	23,018
Other	<u>(25,662)</u>
Total	\$ <u><u>(322,816)</u></u>

Included in the total general fund balance are the Town's capital reserve accounts with the following balances:

	<u>12/31/17</u>	<u>12/31/16</u>	<u>Change</u>
Capital reserve	\$ 980,366	\$ 957,348	\$ 23,018

E. GENERAL FUND BUDGETARY HIGHLIGHTS

There were no major differences between the original budget and the final amended budget.

F. CAPITAL ASSET AND DEBT ADMINISTRATION

Capital assets. Total investment in capital assets for governmental at year-end amounted to \$31,756,455 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system, improvements, and machinery and equipment.

Major capital asset events during the current year included the following:

- Construction in progress of Mountain Road and Main Street Water Main Replacement for \$295,933
- Road construction for \$491,839

Additional information on capital assets can be found in the Notes to Financial Statements.

Long-term debt. At the end of the current year, total bonded debt outstanding was \$11,422,869, all of which was backed by the full faith and credit of the government.

Additional information on long-term debt can be found in the Notes to Financial Statements.

**ANNUAL REPORT OF THE TOWN OF JAFFREY ALICE W. POOLE FUND
2018**

This past year the Alice Poole Committee made contributions to Santa's House, during the Christmas season, so Jaffrey's needy children could have a Merry Christmas

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd.

Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year, to those in need. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents.

This past year we did not receive any new requests for student loans from Conant High School students going off to college. The reason may be the fact that we are unable to offer the larger amounts of money needed for today's higher costs of education.

This year, we did not sponsored children at the AIM summer camp offered by the Jaffrey Recreation Department, because it was discovered that these gifts could not be guaranteed of going to children of Jaffrey families as stipulated in Alice Poole's will..

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

REPORTS
BOARDS, COMMISSIONS
AND COMMITTEES

SELECTMEN'S REPORT

On the surface 2018 would appear to have been a quiet one for the Town, no major news worthy events and no large-scale projects started or completed. However, several initiatives have been completed and new ones started.

To begin with we welcomed Bonnie Mitchell as a new member, replacing James Moore. Bonnie has fit right in with myself and Jim Wiemann and brings a fresh perspective to the Board. Early in the year the Board decided to take some proactive action to determine whether the former WW Cross site could be revitalized and what possible uses could it be put to. The SWRPC did a Phase II environmental survey to determine what if any pollutants are at the site with a look toward how they could be remediated, final report pending. The Park Theater project realized its funding goal and construction has begun! Can't wait for the first double feature.

Members of the Town's staff took part in Millipore Sigma's strategic planning process. We learned that Millipore plans to continue to grow its manufacturing footprint to eventually employ over a 1,000 people at the Jaffrey plant, exciting news for us and the many people who are employed there. The expansion does pose an issue for the Town in being able to supply them with sufficient water. To address not just the Millipore expansion but also to have dependable quantities for other expansion the Town has begun working with Peterborough to explore the acquisition of the Cold Stone Springs on the Jaffrey/Sharon town lines. This is in its early stages with many items/concerns to be addressed.

The Rt. 202/downtown traffic reconfiguration project has tremendous progress. An Advisory Committee was formed to work with the state DOT and the engineering firm hired by the State to oversee the project. Several committee meetings and public information/comment forums were held throughout the year. A no decision has yet been made on what the final plan will look like but the major decision to reroute Rt. 202 has been firmed up.

Other happenings:

- A Jaffrey 250th committee has begun work (Celebration in 2023)
- The police department now has its full complement of officers
- Recreation playground phase I completed
- Capital Improvement Plan updated
- Kaboom! Festival of Fireworks!

The Selectboard thanks all of the many employees and volunteers who make the Town of Jaffrey such a great place to live and work.

2018 MODERATOR'S REPORT

This year I would like to acknowledge some of the unsung participants in the election process, the Supervisors of the Checklist. They are elected for a six year term and can appoint another person temporarily in the event of a vacancy before the expiration of a term. Although the Moderator has the overall responsibility for conducting the election, the importance of the Supervisors cannot be overstated. Our current Supervisors are Carolyn D. Garretson, Chair; Diane Schaumann, and Eunice Jadlocki. The stipend that they receive is \$600 for the chairperson and \$500 for each of the other two supervisors. The Supervisors of the Checklist are responsible for registering voters and maintaining an accurate checklist identifying Jaffrey voters. Voter registration includes filing paper records in the Town Office and entering registration data into ElectioNet, the online database overseen by the New Hampshire Secretary of State's office.

Jaffrey has just over 4,000 registered voters. Maintaining an accurate checklist requires updating both the hard copy files and the database with any changes such as a voter's change of address, name or party affiliation, updating driver's licenses and removing individuals from the roles who have moved out of Jaffrey or have died. In addition, Supervisors need to be present when checklists are being used at elections and town meeting and to verify names of voters on petitions submitted to the town.

This past year the Supervisors have cross-checked all hard copy files against the ElectioNet database to ensure all files are up to date. Time involved – minimum of 3 hours/week when no elections; 12+ hours on election day and several days following for transferring the data from the checklist into the state records.

The people who serve as ballot clerks also deserve recognition. They are responsible for checking voters in, ensuring that proper procedures are followed, that absentee votes are property entered and, at the end of the day, assuring that the data in the books that they use are identical to the proper tallying of the voting machine. The ballot clerks are appointed by the chairs of the two parties garnering the most votes in the previous election and are sworn in before each election. They are paid the minimum hourly wage and usually work from 7:30AM through 7:00PM. It is impossible to overstate the importance of our Town Clerk, Kelly Langevin Rollins, in the election process. She is extremely knowledgeable and a pleasure to work with. We are also so fortunate to have Dawn Sawtelle Oswald, our Deputy Town Clerk, with us toward the end of the day to lend her expertise in reconciling our totals. Assistant Moderators Bernie Hampsey and Phil Cournoyer assist voters and help to move the process along, as well as helping me at Town Meeting. They, too, are paid the hourly minimum wage.

It is certainly not the pay that motivates the aforementioned citizens to work for the Town. It is their devotion to Jaffrey and all of us thank them for it.

Respectfully submitted,
Marc P. Tieger, Moderator
Town of Jaffrey

REPORT OF THE CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey’s public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The *Resolution* establishing the Committee and the *Cemetery Rules and Regulations* are on the Town’s website: <http://townofjaffrey.com>

*Sections A, B & F single lots only. Additional lots will become available in future years.

During 2018 the Committee met six times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in several work sessions to clean or straighten headstones.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of this fund at the start of the year \$3,118.41. At last year’s Town Meeting, \$1,000 was added to the fund. Expenditures from the fund totaled \$240, paid to Katsura Landscaping for tree planting in Cutter Cemetery Extension. Income, Fees and Gains/Losses totaled \$31.77. At the end of the year the balance of the Cemetery Trees Trust Fund was \$3,910.17.

The Cemetery Trees Trust Fund (private donations) was established in 2008. The balance of this fund at the start of the year was \$34.15. No expenditures were made from the fund in 2018. Income, Fees and Gains/Losses totaled \$0.30. The closing balance of the fund was \$34.45. Individuals may make tax-deductible donations to this fund which is for the care and planting of trees in the Town’s cemeteries.

REPORT OF THE CEMETERY COMMITTEE

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this fund at the start of the year was \$6,012.28. At last year's Town Meeting, \$1,000 was added to the fund. At the end of the year the balance of the Gravestone Restoration Trust Fund was \$7,070.64. Income, Fees and Gains/Losses totaled \$58.35. Repairs were made by Peterborough Marble & Granite in The Old Burying Ground and in Conant and Cutter Cemeteries for total of \$400, paid from other sources. Minor gravestone repairs, cleaning and stone straightening were done by volunteers, mainly in The Old Burying Ground.

The Committee co-sponsored with the Jaffrey Historical Society a walking tour of Phillips-Heil Cemetery on Sunday, June 17, 2018. The gravesites of various prominent Jaffrey citizens were visited on this very well attended guided tour. (The hand-out guide is available at <http://www.rs41.org/jhs/phtour.pdf>) A similar tour is being planned for 2019.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at http://www.townofjaffrey.com/Pages/JaffreyNH_Bcomm/Cemetery/inventories

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations* and *A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website <http://townofjaffrey.com>. The Cemetery Committee has a page on the site under Boards & Committees.

Kevin Sterling has retired as a Member-at-Large and Overseer of the Old Burying Ground. The Committee thanks him for his many years of service. Cathy Proulx, who has been an Alternate Member, will succeed Kevin.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year.

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the third Wednesday of the month at 7 p.m. in the Town Offices. Meeting minutes are posted on the Town's website. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey.

Numerous projects were planned and approved during 2018 with Conservation Commission members actively attending meetings of the ZBA and the Planning Board. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and held meetings and events with the open space sub-committee. Several site visits were made to Cheshire Pond Conservation Area, Children's Woods and Carey Park for trail development and restoration. Other activities included a cooperative relationship between the Conservation Commission and the Newfoundland Pony Sanctuary, continued efforts to support conservation easements, planning educational programs for the public and continued monitoring of easement properties. Our activities are detailed below:

- The Open Space Sub-Committee, Bill Graf, chair participated in National Heritage Species Week at The Newfoundland Pony Sanctuary the last weekend in May. Included were a demonstration garden of heritage vegetable plants with packets of heritage seeds given to attendees, an invasive species display, endangered species display and Jaffrey habitat map.
- Cheshire Pond Conservation Area (CPCA): Completion of a culvert installation on the trail from the Letourneau Road entrance. Gates at both the Letourneau and Nutting Road entrances were installed with initial preparation for parking areas at both entrances. A new trail map was prepared by Charlie Koch and will be printed and placed at entrances. New trails have been initially laid out through some of the north and east land currently without trails which will include some high land and some wetland areas, which will require raised boardwalks and small bridges. Maintenance of trails was required this year on numerous occasions.
- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2017 Town Meeting.
- DES Applications: Numerous DES applications were reviewed and site visits were made regarding the applications.

CONSERVATION COMMISSION

- Monadnock Conservancy has received grant support for developing both the William Royce property and the James and Lisa Bearce properties for conservation easement. Both projects will be supported financially by the Conservation Commission.
- Students at Jaffrey-Rindge Middle School, working on Community Service projects under the direction of Thomas Meehan completed construction of a beautiful park bench and picnic table that were donated to the Conservation Commission. They will be placed on town owned conservation areas in the spring of 2019.
- A Wildlife Sighting Project was held in October at Scarecrows on the Commons where visitors placed locations and descriptions to mark wildlife sightings in Jaffrey. This will be an ongoing project to survey wildlife in our area.
- Educational Programs:

A program from The Coyote Project, presented by Chris Schadler, Wild Canid Ecologist was held at the Jaffrey Civic Center in April.

Dr. Matt Tarr, Professor at UNH and Wildlife Specialist presented a program on improving forest and non-forest habitats for wildlife in May.

Dr. Ben Kilham, Wildlife Biologist and New Hampshire's only licensed bear rehabilitator presented a very interesting program in October at the Meetinghouse.

Jaffrey Conservation Commission brochures were placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, Teen Center and distributed at Riverfest.

Members met with the Contoocook Lake Area Preservation Association to discuss the mission of the association, health of the lake and its Milfoil infestation

A presentation of the NH Wildlife Action Plan was made to members by Amanda Stone of the Natural Resources and Land Conservation Community Assistance Program and Barbara Richter, Executive Director of NH Association of Conservation Commissions.

Michael George made a presentation to members on the NH Coverts Program that is sponsored by UNH Cooperative Extension.

- Monitoring of Easements:
Grey Goose Easement: To be monitored in 2019.
Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.

Children's Woods and Carey Park: The Monadnock Conservancy, as holders of the easement completed the annual survey.

CONSERVATION COMMISSION

- Regular activities of the commission also included review of wetland permit applications, site visits of applications, and responding to town residents who had questions relating to conservation issues.
- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Carolyn D Garretson and James Webster. The new chair of the committee is Matt Lunstead, an Environmental Engineer from Peterborough.
- Membership:
With great sadness we note the death of long-term member Nora Barton Bryant. Charles Koch moved from alternate to full member this year. Three alternate members resigned this year, Nan Beiter, Pat Weiner and Ann Marie Furnival.

In 2019, the commission has plans to:

- CPCA: Clear new trails, install a kiosk at the Letourneau Road entrance, install wetland boardwalk crossings, small bridges as necessary, trail markers and signage
- Expand programs in the Open Space Committee
- Install a memorial bench for Nora Barton Bryant on the library lawn.
- Establish parking spaces on CPCA land at the Letourneau entrance to Cheshire Pond Conservation Area
- Install a kiosk at the Letourneau Road entrances and place trail maps at both entrances
- Complete a new trail loop with wetland crossings in CPCA
- Charles Koch, at the direction of the commission, will continue to develop forest plans for our town owned conservation areas.
- Provide additional educational programs for the public and for commission members
- Work with DES representative to develop a program on aquatic invasive species including programs to the Select Board to provide initial control for invasives in the Contoocook River
- Continue to participate in ZBA and Planning Board site visits
- Monitor town held easements
- Review DES applications
- Provide information on conservation easements to interested residents

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base.

We began the year with an updated website and integrating the Planning and Economic Development pages as a single department. Also new this year was the launching of an on-line platform for assessing data, maps, zoning, environmental features and other information helpful to residents and potential developers. That can be found on the Town's landing page at *Online Assessing and GIS Maps*. We are still under development and welcome comments and suggestions.

This year in review begins with the EDC prioritizing top issues to address in 2018:

- 1) Support a walkable downtown program, through Complete Streets, using Goodnow St as start.
- 2) Pursue any opportunities for a broadband buildout.
- 3) Support business expansion plans with an actionable project such as a workshop on alternative financing for new housing starts.
- 4) Continue work through the Area Employers Forum which is focusing on workforce development skills and training.

Also of interest to the EDC is completing the Phase II Environmental Assessment for the WW Cross building, 39 Webster St, and planning for the future re-use of the site.

While the EDC members have participated in the public workshops for the Route 202/124 Traffic Improvements, support for changes to the light systems was strong. Toward the end of the year new flashing yellow turn lights have been installed at the 5-way and 4-way intersections.

A demonstration of the proposed roundabout was held in September with several of our trucking companies participating. Thanks to Apollo Steel, Monadnock Disposal, Belletetes, the School District and Fire Department for sending drivers and vehicles to simulate flow through the proposed intersection. A video can be found on the Town's website landing page at *Route 202 Traffic Project*.

The update to the Economic Development Plan was put on hold pending the outcome of the downtown traffic project.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

TAX INCREMENT FINANCING DISTRICTS

The EDC through the Downtown and Stone Arch Bridge TIFDs, supported advertising campaigns in coordination with downtown events provided by TEAM Jaffrey such as Riverfest, Concerts on the Common, Scarecrows and Holiday Shopping promotions. We also partner on the Jaffrey Commons Marketplace website which is a cooperative enterprise of small business, shops and restaurants located in Town.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space continues to grow. We are happy to see business clusters taking shape and provide information and support through the Economic Revitalization Zone Program. Four such zones have been adopted in Jaffrey, these provide business profits tax credits and business enterprise tax credits for new investments.

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic, and architectural histories of our town. 2018 was a year that saw the Commission meeting with members of our community seeking guidance for a wide variety of concerns. These included appropriate window replacements, roofing designs, materials selections, fencing, and landscaping all keeping with District Commission's standards. Members of this Commission take pride in working with residents in the historic district working together to promote the heritage and beauty that we are so proud of.

The Commission was asked to make comment on the Belletete's expansion proposal. After thorough review of the submitted materials and attendance at the Jaffrey Planning Board's hearing, this Commission felt that it was not in the Historic District's purview as the properties were not within any historic district boundaries nor were they designated having historic value.

The Commission continues to co-sponsor the annual reading of the Declaration of Independence at our historic meeting house on the 4th of July.

Monthly meetings of the Historic District are held on the first Thursday at 6pm. Winter meetings are held at the Town Office Building and summer meetings in the Meetinghouse in Jaffrey Center. These meetings are open to the public and all interested parties are invited to attend. Agenda and minutes can be viewed on the town website at <http://town.jaffrey,nh.us/pages/index>.

LIBRARY TRUSTEES

The Library Board of Trustees has overseen a year of unprecedented growth in library activity. The number of active library accounts, visits to the library, circulation of library materials, and participation in library programs has reached an all-time high. See the Library Director's report for details.

The Board has spent over \$160,000 in endowment funds in order for our 123-year-old building to accommodate the overwhelming influx of community members arriving to take advantage of the variety of services the library now offers. The largest share of the money was spent on our new HVAC system which provides uniform climate control on three floors. Not only do we now have air-conditioning, but the humidity which formerly caused chronic, pervasive mold problems is now under control. A long-standing drainage problem which allowed serious water intrusion on the lower level has now been solved by the installation of gutter screens and replacement of some roof tiles. We now have an automated door opener on the lower level to facilitate handicapped access. That entrance hallway has new flooring and has been newly painted as has most of the lower level. On the main floor the torn and rippled carpet which had been cited as a safety hazard has been replaced with vinyl plank flooring. After these improvements more community groups are now able to use the library for various purposes such as AARP volunteers using the site for tax preparation, tutors for tutoring; even the Chamber of Commerce held an event there.

The Board has still more plans for 2019, including an outdoor learning garden, and initiating serious strategic planning. We hope to also eliminate a serious safety hazard, that being our greatly deteriorated driveway and parking area. This project will be proposed as a warrant article.

The Board wishes to gratefully acknowledge the many years of devoted service by two former Board members, Stephanie Minter and Nancy Clapp.

REPORT OF THE MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events in 2018: Amos Fortune Forum (seven lectures), an Electric Earth concert, Conant High School's 26th annual Shakespeare Festival, 102nd annual First Church Fair, a Conservation Commission program, a Monadnock Garden Club event, Willa Cather events, three performances of *Deep Water* (Dean Murder), a Rotary Camp Best visit and three weddings. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings between May and October. The Committee, along with the Jaffrey

Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 18th annual reading of *The Declaration of Independence* on the Fourth of July. The Meetinghouse was again full and the 39 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in May and November. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff (primarily Glenn Ruschioni): Inspection and servicing of the Town clock (overseen by Kevin Sterling and Dick Boutwell and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; and the usual touch-up painting.

The East facade was painted by Dennis Wright and his crew as was the Bell Stage of the Tower and some portions of the ceiling in the main hall. More Tower painting will be undertaken in 2019.

The balance of the Meetinghouse Trust Fund at the start of the year was \$13,494.09. During 2018 rental fees for the use of the Meetinghouse totaled \$1,950. At last year's Town Meeting, \$3,000 was added to the fund. Expenditures from the trust fund totaled \$12,460. Income, Fees and Gains/Losses totaled \$95.40. At the end of the year the balance of the Meetinghouse Trust Fund was \$6,079.49.

For the thirteenth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 2nd organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted through the end of January.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use.

The calendar for next season is beginning to fill. Most events benefit the Town through rental fees.

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources (formerly, the Department of Resource and Economic Development) on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park manager, the Director of the Division of Parks and Recreation, the Director of the Division of Forests and Lands, and the President of the SPNH (Society for the Protection of New Hampshire Forests) . Other guests include Antioch University MERE (Monadnock Ecological Research and Education) Project, SPNF Volunteer Manager, and Monadnock State Park volunteer coordinator.

The Commission met once 2018. Regular meetings are scheduled for the Spring and Fall but the Spring meeting was cancelled due to health issues suffered by a primary party. These meetings include voting on any expenditures, hearing reports from the various agencies in attendance, reviewing and discussing recommendations, and new business.

Day use of the State Park facilities in 2018 was down from the previous two years, probably due to high rainfall and higher temperatures during what are usually peak usage times. Significant upgrades to the campgrounds and toilet building at the State Park Headquarters are underway in order to adequately serve and process the visitors to that site. At the meeting this year discussion was devoted to how to best plan for and develop the most effective ways to address needs related to visitor processing, trail improvement and maintenance, and funding. Much work is done each year to maintain and improve the trails on the mountain, some by volunteer crews and some by hired professional crews. These improvements provide significant use and preservation benefits, but accomplish far less than the estimates of needed work. Capital budget requests continue to reflect these needs.

Much time and effort has been spent attempting to come to an understanding of what the effect would be of over-use of the mountain. NH Division of Parks and Recreation had scheduled a carrying capacity study for Mt Washington and Mt Monadnock, but that study has been delayed until a later date following other more urgent matters needing attention.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the mountains we are charged to advise about. Please contact your representatives listed below.

PLANNING BOARD

The Planning Board had another busy year of site plan approvals and seeing through the adoption of a new zoning district: a general business zone for light commercial and residential uses along Main Street, Turnpike Road and Stratton Road. Also approved at Town Meeting was the change from Industrial to General Business along route 202 coming into town with the goal of attracting more commercial uses. General Business is a mixed-use district allowing for both commercial and residential uses. As these changes were proposed, the Board also addressed the codification of the Design Guidelines for site plan review as Design Standards.

Commercial site plan approvals included a major expansion at Millipore for improved wastewater treatment in advance of growing their manufacturing operations. Also approved was a subdivision and site plan for JCK Sand and Gravel on Maria Drive, we look forward to the enhanced opportunity for industrial development in the Stone Arch Bridge district. Also heard were amendments to site plans for REAG Bass LLC in the Drumlin District to accommodate expansions of nearby businesses and Belletetes expansion on Peterborough Street.

While considering updates to the Master Plan demographics, housing and regional context topics, the Board also voted to suspend the collection of Impact Fees as a means of removing perceived barriers to development.

The Planning Board once again took the lead with 2 board members and budget committee representation to draft the Capital Improvements Plan which was adopted in December.

New zoning initiatives were underway in August with consideration of updating the Innovative Land Use ordinance as well as updates to the Mountain Zone and housekeeping items for other districts.

The subcommittee suggests an explanation for updating the zoning code: To promote optimal development patterns in subdivisions using conservation design to preserve resources identified in the Master Plan, Open Space Plan and Natural Resource Inventory. Amending zoning supports the fiduciary duty of town government to stabilize the tax base by allowing more flexible development in open space plans and focus recreational and tourism-based development along Route 124. While the Board adopted Design Standards for the gateways entering town and for the Downtown corridors, it is anticipated that standards relating to new development in the Mountain Zone be incorporated in the subdivision and site plan review requirements as a component to this update.

The Planning Board took up the proposals at their regular meeting on December 11 and took comment from the public. Concern included the regional context of the Mountain Zone; neighboring communities will be advised of the proposed changes should the board decide to go forward to public hearing. Conservation concerns include the requirement of a bona fide conservation agency to hold easements within an Open Space Development Plan.

Ultimately, these changes were not voted to the ballot, with the exception of clarifying the duplex/two-family uses in certain districts, with the Board unanimous in committing to a greater outreach effort in the coming year.

PLANNING BOARD

New member Tarah Castiglioni joined the board briefly, and regretfully Matt Devlin resigned this year.

As of the date of this report, we are still seeking an alternate member to join our ranks. Please consider adding your voice to our group and working to steer our community forward into a bright future. There are many important issues facing our community in the coming years. Changing demographics, the effect of technology on how we live, pressures to fund our schools – all have a direct bearing on how we plan for the future. One such program currently under development is the Downtown Traffic study. Of all the issues that we currently have on our plate, the possibility to re-invent our downtown, and through that provide an economic boost to our community is our most promising way forward. I encourage all residents of our community to take a positive, forward-looking approach to considering the options and arriving at a great outcome.

The board enters the 2019 year energized and ready to work with our existing and future residents to build a better community. Thank you for the opportunity to serve.

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for registering voters and maintaining an accurate checklist of the voters in Jaffrey. We are elected for six-year terms and report directly to the Secretary of State's Office. The state has established a state-wide electronic data base of voters and supervisors are responsible for maintaining the list of Jaffrey voters by registering new voters and removing voters who have moved out of town or have died. The Supervisors meet regularly on a weekly or monthly basis to make corrections or changes to the Checklist and add new registrations. There are additional special sessions prior to elections to register new voters. Dates for these special sessions are listed on the Town of Jaffrey website. New voters may register to vote with the Town Clerk during business hours, or at the polls during town, state and general elections.

Additionally, the Supervisors certify signatures on petitioned articles to the Town Warrant, certifying nominations for state and federal offices and attend all Town Meetings and the School Deliberative Sessions to identify residents and provide oversight. This past year the Supervisors have cross-checked all hard copy files against the ElectionNet database to ensure all files are up to date.

Because of the results of the past election, the Libertarian party reverts to the status of being a political organization. New Hampshire law, RSA 652:11, requires that a political party's candidate for governor receive at least 4 percent of the total number of votes cast for the office of governor in order for that party to retain recognition as a party. The Libertarian candidate for Governor received less than 4 percent of the votes for governor in the 2018 General Election. Therefore, as of January 2, 2019, when the results of the general election are officially accepted, the Libertarian party is no longer a recognized party.

The table below shows the number of Jaffrey voters for the past 3 years:

Year	Total Voters	Dems	Reps	Undeclared	Libertarian
2016	4008	1201	1283	1524	0
2017	3970	1183	1258	1528	1
2018	4004	1204	1247	1553	0

December 2018

Boy does time fly! Where has this year gone? It's amazing how each year seems to pass faster than the last. With 2019 around the corner, TEAM Jaffrey has accomplished much, regardless of the speed of time, in this calendar year. Another great year of events, activities and relationships to help vitalize, enhance and improve our downtown.

Here's a look at this past year and our many accomplishments and successes—**all with the help of volunteers and many generous sponsors:**

- We started the year being awarded Non-Profit of The Year by The Jaffrey Chamber!
- Our annual fundraiser was moved to March, celebrating St Patrick's Day. Shenanigan's was a great success and we are looking forward to our 2nd annual event on March 16th, 2019. Will we see you there??
- Our Farmer's Market continued to be a consistent event, with new vendors offering a larger variety of items—there was something for everyone. Our Lil' Sprouts Kids Klub again was a huge hit for our younger residents. They learned how to make apple pies pickles, bread, bird baths and feeders and terrariums. Our Lil' Sprouts ended the season with a pot luck meal to be shared with new friends and family.
- Our Design TEAM brought back The Garden Tour – 6 beautiful gardens throughout Jaffrey were enjoyed by many in July. Looking forward to 2019 and the new gardens to be exhibited.
- 2018 RiverFest was one of our best with new activities to entertain all ages.
- Paint & Sip, Summer Concert Series, Fall Dress Up, Scarecrows on the Common and Trick or Treat on the Town all continue to entertain, delight and contribute to our expansive calendar of events.
- Wreath Sales, Spaghetti with Santa, and our Annual Holiday Decorating Contest are just around the corner. This year we have been challenged from The Peterborough Chamber to participate in a friendly competition between the two towns in holiday decorating. The competition starts Thanksgiving Weekend to the New Year. Wish us luck!
- And finally, we welcomed two new members to our Board of Directors, Stephanie Faulkner from People's Bank and Randy Tobine, Owner of Feel the Steel Barber Shop. They have been a wonderful addition to our organization.

For 2019, TEAM Jaffrey will focus more on our annual events to make them better and to offer activities that will appeal to all ages as well as shine a spotlight on our downtown. TEAM Jaffrey remains a proud member of the National Main Street Center, which encourages a mix of funding sources including municipal support, event income, as well as corporate and community donors.

TEAM JAFFREY

You can help us continue our commitment to a robust Main Street program by making a tax-deductible donation today in the envelope provided or online at www.teamjaffrey.org. With your support, we will continue to advance our goals for 2019.

With heartfelt gratitude, we wish you and your family this holiday season and the new year ahead, a healthy, happy and safe celebration. May 2019 bring us a little more peace, a little more charity and a little more TIME!

Together We Are More.

**JOINT LOSS MANAGEMENT COMMITTEE
(SAFETY COMMITTEE)**

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the Town of Jaffrey.

The JLMC consists of ten (10) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments).

The JLMC holds regularly scheduled meetings on the first Thursday of the month, quarterly during the following months: March, June, September and December and will hold special meetings whenever necessary.

Agendas are distributed and posted and the JLMC maintains written minutes of each meeting which are posted, made available to all town employees and retained. Additionally, the JLMC conducts safety inspections of all town buildings and promotes training for all employees whether job specific or applicable to all the town's employees.

The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

During 2018, the Town of Jaffrey experienced no lost-time injuries. As a result of the efforts of the committee and all town employees, Jaffrey was recognized by Primex (workmen's comp and property & liability insurer) and received reductions in insurance premiums during 2018.

STAFF REPORTS

TOWN MANAGER

Welcome to the 2018 Annual Report! I encourage you to read the staff and committee reports contained herein as they give a thorough description of the works completed this year. Town government is too often thought of in buildings, equipment and budgets. However, it is our people, participating together for the good of our town, that make government.

The Town of Jaffrey faced several long-range issues in 2018 that will continue to occupy our time and energy in the coming years. Continuing public participation in a collegial manner will be critical for us to work through these issues in the best interests of Jaffrey.

Our collaboration with NH Department of Transportation and VHB to address traffic flow continues. Downtown Jaffrey has the opportunity to be reshaped by the Route 202 dogleg project. We are approaching the public hearing process and participation is essential for a quality process. In getting us to this point, I want to thank the Advisory Committee for giving their time in committee discussions and the three public information sessions.

The Select Board made the decision to take a leadership position on the WW Cross site in 2017 and pursue legal assistance. The Town received \$60,000 in assistance from the Southwest Region Planning Commission for legal guidance and an environmental Phase II assessment. The report is pending and we await the results to determine the appropriate course of action for the town.

The Capital Improvements Plan process was initiated by the Planning Board and carried out by the CIP Committee consisting of Charlie Turcotte, Robert Sherman and Ed Merrell. An audit of the 2008-09 Turner Report was conducted as the basis for their priorities and recommendations. The Planning Board adopted the plan and their recommendations are incorporated into the warrant articles for Town Meeting.

Welcome to our new personnel in 2018. The Town Office added part-time Assistant Municipal Clerk Michelle Plourde-Eddy following the departure of Judy Roberts. Welfare Director Mary Drew departed in January and will be replaced by Carrie Traffie. The Police Department hired Patrol Officer Amanda Swanson to bring the department to full staffing. The Water Department promoted Andy Baranowski to Water Operator II and Jeff Wright to Water Operator I, while the Highway Department hired Neal Beauregard and Steven Hruska. Welcome to you all.

Thank you to all our town staff for their hard work throughout the year. I am grateful for the support and assistance they provide me and the Town as we address the issues facing Jaffrey.

Respectfully submitted,

Jon R. Frederick
Town Manager

2018 Total Calls for Service	336	100.00%

The 2018 calls for service percentage by day of the week were fairly even with **18%** of the calls occurring on Saturdays followed closely by **16%** on Tuesdays and Fridays, **13%** on Monday and Thursday and **12%** on Sunday and Wednesday.

FIRE DEPARTMENT

The Fire Department ended 2018 with a staff of twenty-five (25) that included the Fire Chief, Assistant Fire Chief, two (2) Captains, three (3) Lieutenants and eighteen (18) Call Firefighters. The department currently has seventeen (17) Certified Firefighter II Firefighters, four (4) Certified Firefighter I Firefighters, three (3) Probationary Firefighters and one (1) Youth Firefighters. Fourteen (14) of the Firefighters are Certified Emergency Medical Technicians (EMT).

Four probationary firefighters enrolled in and successfully completed the Firefighter I Certification Training this year and without hesitation the same four firefighters enrolled in a Firefighter II Certification Class and successfully received their Firefighter II Certification. Congratulations to Firefighters Greg Beals, Nicholas Dumais, Cara Campbell and Stephen Turilli for your commitment and success in accomplishing your Firefighter I and Firefighter II Certifications. Youth Firefighter Nicholas Bergeron was enrolled in the Conant/Conval High School Firefighter I program this year and as of the writing of this report he was in the process of taking his practical and written test. Nicholas will also be enrolled in the Conant/Conval High School EMT Class starting in January of 2019.

Trainings took place weekly, monthly and throughout the year as well as the firefighters conducted weekly equipment and apparatus checks. The trainings, equipment and apparatus checks are a priority, which allows the equipment, apparatus and the firefighters to remain in response ready status and to be prepared to respond to calls to the best of the department's ability. In preparation for the arrival of the new rescue boat that was approved at the 2018 Town meeting the Firefighters took the NH Boating Education Class.

We continued to recruit new call firefighters for the fire department this year and held two recruit academies. As a result of the recruit academies we were able to have three new probationary firefighters join the department. As part of our recruitment program we are also continuing to promote our Youth Firefighter Position and are working with the administration at the Conant High School to support the Firefighter I and EMT course offered through the Applied Technology Program at Conval High School. Anyone that is interested in becoming a call firefighter or has ideas as to how to help resolve our staffing problems should contact the Fire Chief at the fire station 532-8377, by email firechief@townofjaffrey.com or visit the fire departments website www.jaffreyfire.org for information on joining the fire department.

The new rescue boat that was approved at last year Town Meeting was delivered in the late fall of 2018. During the winter months the boat will be set up and preparations will take place to prepare the boat to be placed in the water in the spring of 2019, so the firefighters can train and safely operate the boat. We are asking for funds at the 2019 Town meeting to do some restoration work to 16 Hose 1 which will extend the years of service for this piece of apparatus lessening the impact on the Capital Improvement Plan Funds. Continued maintenance and care along with annual maintenance and required testing should allow for the fire department apparatus / vehicles to remain on track for the years of service as estimated in the Apparatus Replacement Schedule for the Capital Improvement Plan.

FIRE DEPARTMENT

The health and wellness of the firefighters needs to be a priority. Showering facilities for the firefighters to decontaminate before returning home or back to work after a fire or hazardous incident must continue to be a priority action item. As part of this action item discussions need to continue as to the immediate and long-term building and facility needs for the fire department. A funding plan has been presented as part of the Capital Improvement Plan to address the showering facilities as well as future space and needs for the fire department and fire station.

During 2018 members of the Jaffrey Fire Department conducted over 400 staff hours of community relations. Many of the hours for these activities were volunteered hours and the activities include teaching American Heart Association's 1st Aid CPR AED classes, fire prevention programs at the Jaffrey Grade School, classes with the Tiger and Cub Scouts, fire extinguisher training for local businesses, fire department open house, safety trailer demonstrations and apparatus displays. On top of the community relations hours the firefighters also participated in fund raising activities with the Jaffrey Firefighters Company (JFFCI). JFFCI is the fundraising and support organization of the fire department which is made up of the firefighters, their families, and retired firefighters. In 2018 JFFCI donated fire/ rescue equipment, training aids, fire prevention materials and items valuing a total of \$9,217.66.

In a typical home fire, occupants have just minutes to escape. And because smoke in one area may not reach a smoke alarm in another, the National Fire Protection Association (NFPA) recommends placement of at least one smoke alarm on every level of the home (including basements) and in every bedroom, and outside each sleeping area. The NFPA also recommends interconnection of alarms to provide better whole-home protection than stand-alone alarms. Equally as important are carbon monoxide CO alarm which should be installed on each level of the home - ideally on any level with fuel burning appliances and outside of sleeping areas. Combination Smoke / CO Alarms can satisfy one of your smoke alarm location requirements as well as a carbon monoxide location. The NH Fire Code requires all new residential construction, existing apartments and any rental property to have working smoke and CO alarms installed and maintained by the owner of the property. Anyone that needs information, has questions and needs assistance with installing smoke and CO alarms is encouraged to contact the Fire Chief at the Fire Station.

We want to thank you for your continued support and assistance. The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc.(JFFCI), the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need.

LIBRARY DIRECTOR'S REPORT

In 2018, the Jaffrey Public Library continued to experience unprecedented growth of library usage by residents of all ages. As we redefine literacy for a modern world, we have evolved into a vibrant community center for many Jaffrey families and partner organizations.

The Library provides a high level of individualized service to the Jaffrey community six days per week, as well as digital offerings available 24/7 to cardholders. We offer public service that provides tangible value to our residents, as we offer lifelong learning opportunities to all ages. We provide assistance in job searching, technology help, reference assistance, and countless educational programs for youth, teens, and adults.

This year, we registered 297 new library users, bringing the total number of active library accounts to 4,037. Our library visits continue to be on the rise, with 48,500 visits documented in 2018 alone. With so many visits, staff were busy providing specialized service. They answered over 9,000 reference questions and 2,400 technology help questions. While 8,730 adults and children attended library programs this year, both in the building and in community locations, they also checked out a record number of materials. Circulation, the number of materials checked out from the library, totaled 52,136 in 2018.

The Library's collection is diverse and relevant, with physical holdings remaining steady at 35,967, and shared digital holdings (eBooks and downloadable audiobooks available through the state consortium) at 47,214. In 2018, we added 2,495 new titles to our physical collection, of which 857 (valued over \$16,000) were funded by grant programs and donations, at no cost to taxpayers. 2,487 items were withdrawn from the collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were donated to smaller libraries, local classrooms and preschools, the Cheshire County Jail and the NH Department of Corrections. This number also includes the deletion of titles from our system discovered missing during inventory. The Library also provides multiple electronic resources in addition to eBooks, available 24 hours a day, in the form of databases for research, genealogy, and language learning.

This year, we were able to provide an array of programming far beyond our budget, thanks to many grants and donations. Donations from individuals and community organizations funded the Halloween Book Giveaway, expanded book clubs, adult programs, databases, and computers, and even provided teen learning assistants to support our summer learning program and expand employment opportunities for local youth. In addition, we are proud to be one of only fifty libraries in the U.S. to receive a national Code Club grant to provide coding instruction and expand digital literacy for youth. We have also received multiple grant awards from the Children's Literacy Foundation, including a Rural Libraries grant to provide books and literacy programming for both the library and the Jaffrey Grade School. Our greatest gift is our dedicated team of volunteers who provided over 1,200 hours of service to the library this year.

Thank you for the opportunity to serve the Jaffrey community. We are looking forward to another great year in 2019.

Julie Perrin, MSLIS

POLICE DEPARTMENT

In 2018 our department responded to just over 6000 calls for service.

In 1991, then Chief David Barrett defined a call for service as “any request for service which requires an officer to physically go and do something”. Although that phrasing may seem a bit simplistic, the intent is to convey that a call for service is not simply patrolling neighborhoods, giving directions to lost travelers or addressing the myriad of telephone calls we receive each year from people seeking information or advice. Our department does all those things, they just don’t get a number.

The statistics page that follows this narrative shows several general categories of service performed by this department. They include investigation of criminal activity, domestic violence responses, motor vehicle accidents, motor vehicle enforcement activities, parking enforcement and animal complaints. There are activities that are more difficult to quantify. Things like the multiple property checks our officers perform while people are away from their homes for a variety of reasons, various suspicious people and circumstances observed and investigated by officers during the course of their patrol shifts and the deterrent effect that a regular patrolling police presence in business and residential districts throughout the community has on potential criminal activity.

I encourage our officers to be proactive in detecting and addressing all aspects of these activities. While it may seem a nuisance to be stopped by a patrolling officer for a motor vehicle violation like speeding or having an electronic device in your hand as you drive down the road, those issues and many more are known to contribute to traffic accidents resulting in injury and worse. As you can see on the stats page, the vast majority of motor vehicle stops result in warnings. Our goal is not to penalize but to inform and modify the behavior of the driving public making it safer for everyone to travel our roadways.

At the time of this report, the Jaffrey Police Department is fully staffed, a condition that is becoming increasingly rare both regionally and nationally. Culturally, policing has changed. There is a shrinking pool of candidates that not only have to meet the high standards required to function in today’s police environment but also are willing to do shift work on nights, weekends and holidays. Budget constraints are resulting in diminishing retirement benefits and there are just too many other options for young, educated people to pursue with a lot less hassles!

In my view there is no more honorable calling than to be part of a team that contributes so significantly to the safety and security of a community. The members of the Jaffrey Police Department are proud to demonstrate a commitment to that calling every day.

Chief William Oswalt

PROSECUTOR'S OFFICE

2018 was a year of significant change in our local court system. The Honorable Justice Erin McIntyre was appointed and presided over criminal cases and civil actions in the circuit court while the Honorable Justice David Forrest of the Family Division presided over cases in the juvenile court. In late December Judges McIntyre and Forrest were reassigned and the Honorable James Gleason was appointed as Justice of the Circuit Courts in Jaffrey and Keene. Judge Gleason is a seasoned trial attorney and we look forward to working with him, however Judges McIntyre and Forrest will both be missed particularly for their patience.

The Administrative Office of the Courts has again limited the number of court days to four per month. This creates a scheduling challenge for the Judges, Court staff and Prosecutors and results in longer court sessions and longer delays before case resolution.

2018 has also been a year of significant law changes requiring law enforcement to adapt to those changes. The most prevalent change was a well-intended, but seriously flawed bail reform law. It essentially resulted in an exponential increase in the rate of defendants failing to appear for court. Efforts are under way to rectify the shortcomings.

We are also pleased to announce the opportunity to partner with the Town of Hillsborough's Juvenile Diversion Program. That program is fully accredited by the State and offers a variety of services for first time juvenile offenders and for youths with tobacco possession violations. We are grateful to local residents: Cindy Wiemann, Hope Ketola, Liane Jablonski, Marsha Griffin, Mark Cournoyer, Dean Deschenes, Renee Sangermano, Michelle Szalanski and Julie Perrin for serving on the Diversion Program's Community Accountability Board. The program is under the guidance of the Hillsborough Youth Services Director: Chelsea Szalanski. We submitted five cases to the program, four have successfully completed it and one was referred back to the court for failing to comply.

The most common types of cases that come before the court are: Drug and alcohol related cases, DWI (drugs and/or alcohol,) simple assaults, domestic violence, trespass, criminal mischief, suspended driver's licenses, and traffic related offenses. In 2018, the Town of Jaffrey Police Department continued to be the agency that submitted the highest volume of criminal cases to the Court for prosecution.

Con-Val High School re-newed their interest in involving us in their student intern program and sent us a student for two semesters.

In cases where it is applicable we have had \$11,279.95 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

Revenue received through discovery fees in 2018 was \$225.00

PROSECUTOR'S OFFICE

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2018.

<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
599	682	583	536	429

Of the 429 cases, 14 were juvenile, 98 were motor vehicle, and 317 were adult criminal cases. There were 36 summonses issued under the personal possession of marijuana statute and 51 Town Ordinance violations. In addition, there are 103 cases for which bench warrants have been issued that remain unresolved.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2018, the Town performed 7 full-body and 15 cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Annual cemetery cleanup day was performed in November which removed materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers. Grave owners and families are encouraged to visit the cemetery webpage on the Town of Jaffrey website to review the current cemetery regulations. Also included on the website is an inventory of interments within the Conant, Phillips-Heil, Old Burial Ground and Cutter Extension Cemeteries.

Special mention to Bradley Hector who for his Eagle Scout project, designed and installed a guide signs at Conant and Phillips-Heil Cemeteries. Well done!

Highway Division: In 2018, the Highway Department reconstructed sections of Fitzwilliam Road, Gilmore Pond Road, and Squantum Road. Pavement overlays were accomplished on a section of Howard Hill Road, Nutting Road, and Squantum Road. Sidewalk resurfacing was accomplished on Main Street from the common to Goodnow Street, and Ellison Street. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Library, Fire and Police Departments.

During 2018, NHDOT paved sections of Route 202 (Peterborough Street) from Ridgecrest to the Peterborough town line and Route 137 (North Street) from Main Street to Emery Road. The department assisted with adjusting sewer manholes and water gate valves to accommodate the paving.

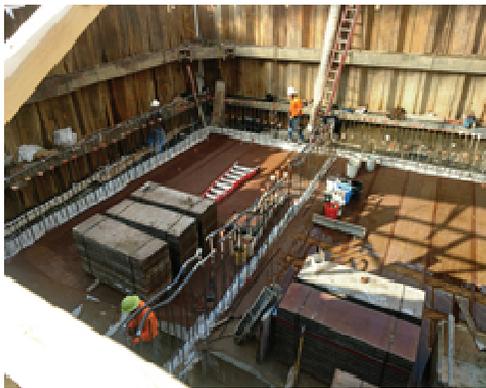

The Mechanic, with assistance from Highway staff, maintained and kept operational the Town's vehicles and in addition to maintaining highway department vehicles, over 212 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. The picture to the left is a new 2018 Peterbilt dump truck approved at the 2018 Town Meeting and delivered in July.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Wastewater Division: In 2018, the wastewater treatment plant processed approximately 230,669,000 gallons (average 631,969 gallons per day) of wastewater from 825 connections. Suez Environmental is the contract operator of the sewer facilities including the wastewater treatment plant, Hadley Road pump station and head works, 5 sewer collection pump stations and approximately 20 miles of collection sewer. As part of their normal operations, three (3) manholes were repaired. During 2018, there were twenty-three (23) callouts for sewer related problems (blockages or overflows in the collection system) of which none were on the Town side.

The Town completed the ninth full year of operation of the advanced wastewater treatment plant and seventh full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total residential septage waste received at the wastewater plant during 2018 was 2,157,700 gallons (equivalent to about 2,157 - 1,000 gallon residential septage holding tanks). A total of 281,600 gallons from 132 Jaffrey residences was received. The remainder from residences outside Jaffrey. Revenues to the Town from septage disposal totaled approximately \$188,570 for the year from Jaffrey, Rindge, New Ipswich and other communities..

The septage receiving station upgrades to accommodate the volumes of septage that the facility is receiving commenced construction in 2018. The Department was able to secure USDA Rural Development funding for the project. It's anticipated that the project will be completed in 2019.

Total sludge processed at the wastewater plant in 2018, was 136.75 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse.

A project to begin decommissioning the old aeration lagoons that was initiated in 2017 and continues. With the approval of NHDES, lagoon #1 was dewatered and suitable fill that was made available as a result of a construction project at Millipore was placed in Lagoon #1. Once completely filled the restored lagoons offer a future site for public benefit projects.

As reported in previous years, the Town continued working on the system-wide infiltration/inflow reduction and sewer rehabilitation program in priority areas identified and during 2012. In 2018, sections of sanitary sewer on Peterborough Street and Blake Street were lined by Insituform utilizing cure-in-place lining.

Water Division: In 2018, the Department produced 121,266,590 gallons (average 332,237 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Squantum well houses and provided potable drinking water and fire protection to over 1,500 accounts in Jaffrey and Rindge.

REPORT OF THE PUBLIC WORKS DEPARTMENT

In addition to daily checks and maintenance of the pump stations, samples and state reporting, the Department performed high water usage checks for customers, located water lines for Dig Safe, performed seasonal water turn-on and shut-off requests and assisted with leak detection and performed meter replacements and final readings for property transfers. The Department also responded to two (2) water main and six (6) service line breaks, repaired four (4) curb stops, and repaired three (3) hydrants. Two hundred and two (202) hydrants were flushed during the the fall. Ninety-three (93) meters were replaced and one hundred and ninety-five (95) MXU (radio read units) were changed out.

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 113 backflow prevention devices at 59 businesses, schools and town buildings included in this program and tested twice per year.

In 2018, the New Hampshire Department of Environmental Service (DES) conducted a sanitary survey of the water system. The sanitary survey is performed periodically by DES on all the state's public water systems to review capacity of the water system's sources, treatment, distribution, and management to continually produce safe drinking water. Among their findings were that the Jaffrey water system was in compliance with all water quality standards including lead and copper levels. Among the recommendations was the continual review, implementation and maintenance of the asset management plan.

With regard to the asset management plan, which prioritized water main improvement projects and developed a capital spending plan, the Town began engineering design to replace older and undersized water mains on School Street, Stratton Road and a section of Squantum Road. These projects are eligible for DES grant funding and low interest loans under the DWSFR program.

Underwater inspection and cleaning of both the Bullet Pond and Poole Reservoir water storage tanks was completed in 2018. Inspection confirmed the asset reports recommended needed repairs to the Bullet Tank. Repair of concrete deterioration and repainting of the tank was completed in 2018 by the tank manufacturer, DN Tanks.

The Water Department continues to be proactive in identifying leaks in the distribution system. The Department monitors the water production carefully and compares to billing and other records as a means of ensuring that we are most efficiently pumping and treating the water to both limit operating costs and preserve the valuable resource. The histogram on the monthly bill has proven useful to users in self-monitoring historical water usage.

Administration and Engineering: In 2018, in addition to managing all Department of Public Works functions, assistance was provided to other town departments and committees as necessary including the Cemetery Committee, Recycling Committee and Joint Loss Management Control Committee. Special projects included continued work on GPS/field locating and GIS mapping of the water and sewer system physical structures, drainage structures, and signage inventory; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; administration of the industrial pretreatment program; updating and

REPORT OF THE PUBLIC WORKS DEPARTMENT

administrating the wastewater local limits and sewer use ordinance; administration of the septage program; and, cemetery inventory program.

Following the New Hampshire Department of Transportation (DOT) mandated selection process (qualifications-based selection process), the Town retained Quantum Construction Consultants to assist with design engineering for replacement or rehabilitation of the Nutting Road Bridge. This project is eligible for 80% funding from the state as part of the state's bridge aid program. Field survey and borings were begun in the latter part of 2018.

Staff renewed Green SnowPro Certification (DES and the Snow and Ice Management Association). This program covers highway winter maintenance and more efficient methods to improve or enhance plowing and ice control. One such method is calibration of spreaders which results in more efficient treatment of roads with salt and sand. The Highway Department tracks salt with a loader scale which more accurately records the amount of salt and road sand loaded onto the trucks for treatment. We continue to monitor and refine the application rates of materials used.

The LED Streetlight conversion project which began as a pilot project in 2017 with the installation of six (6) LED streetlights on Turnpike Road and Stratton Road, continued in 2018 as the Department advertised a comprehensive RFP for the turnkey replacement of all existing metal halide street lights with energy efficient LED streetlights. Affinity LED Lighting was awarded the contract and a total of 159 metal halide lights were replaced by energy-efficient LED's. Eversource has supported this program through rebates to Jaffrey (\$14,500).

The Public Works Software program which tracks all service requests and complaints that public works receives including but limited to road conditions (summer and winter), drainage problems, water turn-on and shut-offs, sewer blockages and general questions on cemeteries and transfer station. The program also tracks the maintenance activities being completed at all town buildings. Residents can request department services either by calling the office, use email, or through the Town's website. During the year, 576 service requests were documented and handled.

The department continued to work with the DES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans.

Oversee gas and groundwater monitoring as required by NHDES at closed landfill and wastewater lagoons and file required reports.

The division also applied for and received various DOT and DES permits for culvert work and highway maintenance as needed and as required.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Building maintenance activities are coordinated through the Department. The building maintenance craftsperson assisted all departments with miscellaneous building related items.

Roofs were replaced at the wastewater administration building, Hadley Road headworks/main sewer pump station and the Prospect Street water pumping station.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2018 included the following approximate amounts: 821 tons compactor waste, 550 tons bulky waste including construction and demolition debris, 178 tons recycled material (plastics, paper, corrugated), 73.529 tons light iron, 7.7 tons aluminum, 522 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 3 containers of tires (28,800 lbs), 39 propane tanks, 3,332 lbs batteries, 201 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers), and fluorescent bulbs.

In March of 2016, the Board of Selectmen appointed an Ad-Hoc committee to study operations at the Transfer Station and make recommendations to the Board with regard to operations, revenues and facility improvements including building and layout. The committee met several times a month and visited several nearby facilities to compare operations to Jaffrey. The Committee continued in 2017 and presented a plan to the Board of Selectmen in 2017 with recommendations for facility improvements. Staff continues to provide support to the committee as requested.

The transfer station also began a vegetable oil recycling program to supplement the waste oil program offered to residents.

During 2018 a total of 71 residents participated in the regional Household Hazardous Waste disposal program offered in Keene. The department feels that if a Household Hazardous Waste Collection program were held in Jaffrey that many more residents would participate and is considering planning such a program to be held in Jaffrey during 2019.

The town in cooperation with DES, EPA and DEA has sponsored prescription drug take-back days twice a year at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater.

Planet Aid reported that a total of 4,565 pounds (2.28 tons) of donated clothing was collected at the receptacle box located at the Transfer Station. Donations can also be placed in the Salvation Army collection box.

The staff will continue to check for valid “dump” stickers and remind all residents that stickers can be obtained at both the Town Clerk’s office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. Other brokers are also used. Throughout this year,

REPORT OF THE PUBLIC WORKS DEPARTMENT

we have seen the prices received for recyclables remain dismal. We continue to stockpile some recyclables until the market improves as we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities and fees totaled approximately \$ 19,506 in 2018. By actively recycling, the town saved over \$27,790 by not disposing of recyclable items along with household trash. Following is a summary of the materials processed at the Transfer Station last year. (Note that revenue is potential revenue and is based on commodity prices at the time the recyclables are marketed). We request that residents continue to follow the established guidelines for recyclables (rinse & remove covers, etc) to ensure that we process only the highest quality commodity which directly reflects in the marketability of our commodities.

During 2018, Bruce Hanson from the Transfer Station celebrated 20 years of service to the Town and Public Works Director Randy Heglin celebrated 15 years. Also, during the year Water Foreman Tom Lambert resigned after 19 years of service to the Town and moved from the area. Andy Baranowski was promoted to Water Foreman and Jeff Wright transferred from the Highway Department to the Water Department. Neal Beauregard and Steve Hruska were both hired for the Highway Department replacing Chris Silvia who resigned and Jeff Wright who transferred to the Water Department.

Respectfully submitted,

Doug Starr/Town Engineer

As we reflect upon all that has been accomplished at the Recreation Department in 2018, gratitude is an overwhelming sentiment for the commitment of the recreation department staff in fulfilling our mission to create and sponsor recreational opportunities for all community members, which enhance the quality of life and provide a positive and safe environment for body, mind, and spirit.

In addition to the major projects listed, the part-time maintenance staff at the Recreation Department oversees the daily and seasonal care and maintenance of recreation facilities and grounds located at Community Field, Shattuck Park, Contoocook Beach, Humiston Park, and the War Memorial. Snow removal for the public walkways at the Town Offices, Police Department, Public Library, and Town Common are also under the Recreation Department's responsibilities as well as the set-up and clean-up for all elections and town meeting.

Our before school program known as Club Rec was able to use the ice rink every morning it was open through the generous donation of youth ice skates from the public. The children in the Club Rec program were excited to learn to ice skate, play ice hockey, and just loved their time on the ice rink skating before school.

We expanded the afterschool ski program this year by renting a school bus with larger capacity than the Recreation Department's mini-bus, but participation numbers remained the same with 22 children participating in the program that went only on Tuesdays to Crotched Mountain.

The Recreation Department partnered with New Hampshire Fish and Game the first weekend in February to offer a free Learn to Ice Fish class. Twelve adults and children participated in this two-day program which entailed a class room experience as well as a hands-on practice out on the pond.

The winter weather also provided the opportunity for residents to "snow" us what they were made of in our 2nd Annual "Spontaneous Snowman Challenge." Jaffrey residents were encouraged to get outdoors and enjoy the snow by spontaneously making snowman anytime during the winter season.

During the first few months of the year, we finished transforming the "warming hut" into a more welcoming multipurpose space with its first public showing held at the Annual Easter Egg Hunt. The fresh coat of paint and new floor coating provided a pleasant space for visits with the Easter Bunny and face-painting for the couple hundred people who came out for the Annual Easter Egg Hunt at Humiston Park. Additional building improvements included the removal of the old, unsanitary concession equipment and a re-construction of the old kitchen area to a new storage area with concession capabilities.

RECREATION DEPARTMENT

Spring of 2018 saw the design, prep-work, and installation of phase one of the new playground at Humiston Park which was funded by a grant from GameTime, Inc and the recreation revolving account. Our part-time maintenance staff did a fantastic job prepping the site for this project and overall installation costs were reduced by volunteers who donated their time and equipment to install the new playground equipment. There will be many smiles over the 20-year lifespan of the playground thanks to all their hard work and donations.

Thank you to McDonald's for donating \$1000 to the Playground Fund at their grand re-opening. Funding for Phase 2 of the Humiston Park project is still needed. Together we can build it!

Thank you to the community members who helped replace the deteriorated staircase to the Humiston Park Press Box. We had been trying to find a contractor to complete this job for a couple years, but the small nature of the project made it unfavorable to contractors. Thank you to Gordon Olin for building the staircase and all other community members who donated their time and materials for the project.

One of the costliest acts of vandalism the Recreation Department has experienced was committed in July 2018 at Humiston Park. Installation hardware and play equipment were stolen or destroyed just six weeks after the new playground was installed. The playground had to be closed for four weeks as we awaited replacement hardware and equipment to arrive from the manufacturer and our part-time maintenance crew to secure all nuts and bolts on the remaining equipment.

Over the summer, local high-school student Allyson Hocter completed her Silver Girl Scout project "Pom-Poms for Our Playgrounds". Allyson's project consisted of fundraising for and donating a new spinning piece of playground equipment that seats one child. This spinning seat features a five-point harness making it usable for children of all abilities and requires interaction from children (one seated, one spinning the seat) in order to operate the spinning seat.

Humiston Park saw other improvements this year including the removal of the old softball dugouts and backstop fencing. The softball infield diamond was removed many years ago under a different Recreation Director, but the dugouts and fence were not removed at that time and the dugouts were becoming decrepit. The Department of Public Works removed the dugouts, a new fence was installed at the same height and alignment as the current fence line on Howard Hill side of the park, and landscaping was completed to provide the proper elevation to blend the new grass area created by the dugout's removal with the rest of the green space.

The cinder block storage building located behind home plate was a major undertaking this year as the damaged cinder block wall, which serves as a retaining wall for the Recreation Department driveway, was replaced with a poured concrete wall. Cracks in the remaining cinder block walls of the storage building were repaired and the termite damaged rafters were replaced.

RECREATION DEPARTMENT

In addition to regular maintenance and upkeep at Shattuck Park and Community Park, we removed dead trees at Shattuck Park and increased handicap accessibility with the installation of hard pack walkways and bleacher pads at Community Park.

Projects at Contoocook Beach were completed to improve safety and handicap access. We removed the cement handicap ramp that was no longer serving its purpose due to shifting over time. We used hard pack to raise and level an area from the pavilion to the parking lot to provide handicap access to the pavilion and concession stand. The handicap parking spots were also relocated to have better access to this new handicap accessible entry way.

Programs for older adults continued to gain in popularity in 2018. Our monthly Lunch Bunch trip has consistently sold out as word spreads of how fun the trips are each month traveling to a different restaurant, diner, or pub within one to one and a half hours from Jaffrey. Other bus trips we offered were to Disney on Ice, Boston Flower & Garden Show, and the famous Foster's Clambake in Maine. Our weekly Coffee Hour program is held on Wednesdays from 9:30am-11am at the Jaffrey Civic Center. Coffee and refreshments are provided for participants as they socialize and enjoy the changing art exhibits. On the third Tuesday of the month, we host a Women's Social. This new evening program is held at the Jaffrey Women's Club Cutler Memorial Building.

The Recreation Department's Youth Advisory Committee (YAC) concluded its third calendar year in operation. Thank you to the YAC leadership board for their hard work and dedication: Kamryn Coll, committee chairman; Kyle Frederick, vice-chairman; Patrick Greenough, secretary. The mission of the YAC is to build a connection between youth, during their middle-school and high-school years, and their community. By giving the youth a voice in what services are provided for their age group by the Parks and Recreation Department in a team environment where the youth feel heard and their ideas are validated. All youth are encouraged to join the YAC and make Jaffrey a more fun place to be a teen.

The YAC Teen Dance series has gained in popularity and increased to six dances throughout 2018. Each dance had a theme: Winter Semi-formal, Shamrock Dance, Bonfire, Beach Party, Black Light Dance, and Halloween Costume Dance. Most dances were held at the Woman's Club Cutler Memorial Building. The Halloween Dance was held at the American Legion function hall and we would like to thank the American Legion Post 11 for sponsoring the Teen Halloween Dance.

In addition to our year-round programs, basketball and no-school day programs were indoor programs offered during the winter. The Youth Basketball Program ran Saturday mornings through January and February. The single "no-school" day camp programs we offered were not needed by residents as we had to cancel due to low enrollment.

The Annual Easter Egg hunt was held on a Saturday March 24, 2018 at Humiston Park. Over 2,000 brightly colored eggs dotted the snow-covered field thanks to the volunteers from our weekly Coffee Hour who filled all the

RECREATION DEPARTMENT

eggs with treats and the Youth Advisory Committee who “hid” all the eggs around the park. Thank you to our volunteers from Conant High School Interact Club for providing a Mr. E. Bunny, and painting faces.

In the spring, a 3v3 Soccer Program and QuickStart Tennis was offered for children and adults, and a Teen Camp-Out was held at the Franklin Pierce University (FPU) “Bubble”. The 3v3 Soccer program was a very active, non-stop soccer experience different than traditional soccer with only three players to a team which allows players to hone their skills in quick play decision making, ball handling, and in-game communication. The QuickStart Tennis program was made possible by the USTA who provided all the equipment to play. The Teen Camp-Out was a night filled with great fun and very little sleep as 24 teens spent the night playing games, watching movies, and eating snacks. We are thankful to the FPU Men’s Ice Hockey Team for volunteering as chaperones through most of the overnight event.

The 2nd Annual Spring Window Painting Contest had 10 participants and the annual Halloween Window Painting Contest had 20 participants of all ages, children through adults.

Safe Sitter Baby Sitter training courses were held in June and July. Thank you to The River Center and the Jaffrey Fire Department for partnering with us so we could offer the Safe Sitter class.

Summer time activities kicked-off at the end of June and continued into July and August with the return of our Adventure in Movement (AIM) summer day program, Challenger Sports British and TetraBrazil Soccer Camps, Marlin’s swim team, Pure Shot Basketball camp, baseball camp, our annual trip to see the Red Sox, and swim lessons at Contoocook Beach.

Contoocook beach was open from Memorial Day weekend through Labor Day weekend. For the first time in three years we had a fully staffed lifeguard crew. Thank you to the budget committee for approving the pay raise that encouraged more lifeguards to apply. The snack shack was staffed for the same time schedule.

The new school year brought the second year of Club Rec, our active before-school morning care program. The children enjoy time each morning actively using their brains and bodies engaging in outdoor games, activities, and craft projects.

In September, we kicked-off our fall youth sports programs including soccer and our second year of NFL Flag USA Football. Thank you to all our youth sport volunteer coaches. These programs are only able to exist because of your willingness to give your time to the children of Jaffrey.

October saw the start of two new recurring programs. On Mondays from 10am to 12pm for our Monday Writing Group and on the third Tuesday of the Month, please join us for a Ladies Night Out – Women’s Social from 6:30pm-8pm. Ladies Night Out-Women’s Social is held at the Cutler Memorial Building through the generosity of the Jaffrey Woman’s Club.

The 4th Annual Halloween Hoopla moved a few hundred feet from the Community Field to the Rail Trail.

RECREATION DEPARTMENT

The 4th Annual Father-Daughter Dance, sponsored by the Woodbound Inn, was held on November 16, 2018. The Father-Daughter Dance is a special evening to honor the bond between little girls and their father/father-figure. The Annual Town Tree Lighting event was held on the first Friday of December. With lights and sirens ablaze, all knew Santa was on his way, arriving by fire engine courtesy of the Jaffrey Fire Department and escorted by the Jaffrey Police Department. The Annual Holiday Craft Fair held at Conant High School's Pratt Auditorium continues to be a favorite community tradition held on the second Saturday in December, now in its 38th year. Thank you to all the organizations and individuals who helped us create these magical holiday events.

2018 was truly a year of community collaboration and celebration. With much appreciation for the generosity of the Jaffrey community and the people who have helped the Recreation Department achieve great things this year, thank you for being part of our journey this year. We look forward to more years ahead.

This is an abbreviated version of our Town Report. Please see our department website Jaffrey.recdesk.com or the town website townofjaffrey.com for the full version.

Respectfully Submitted,
Renee Sangermano, CYSA

After over a decade of service as the Town of Jaffrey Director of Welfare, I have decided to retire from welfare to grow my business. So it is bittersweet to state that 2018 is my last year as Director of Welfare Administration. It has been an outstanding experience working and laughing with all the town employees, and I will greatly miss each and every one of you.

With warmest regards and deepest gratitude,

Mary Drew

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum
