NEW HAMPSHIRE

*2021 Annual Report*

# Dedication

## CAROLYN GARRETSON

The Board of Selectmen are dedicating this year's Town Report to Carolyn Garretson in recognition of her significant efforts serving the Town of Jaffrey.

Carolyn was elected to the Supervisors of the Checklist in 2017 and has been the Chair since. She has led the Supervisors in their tireless efforts, spending countless hours preparing for elections by updating voter files. Their work preparing for and working at the elections ensures the integrity of our elections. This work increased in complexity recently due to Covid-19, the presidential election and an intensified focus on state and local elections.

Carolyn has also served on the Conservation Commission since 2007 and has been the Chair for 10 years. She is a fierce advocate for the Town's conservation lands and an active steward of those lands with fellow committee members.

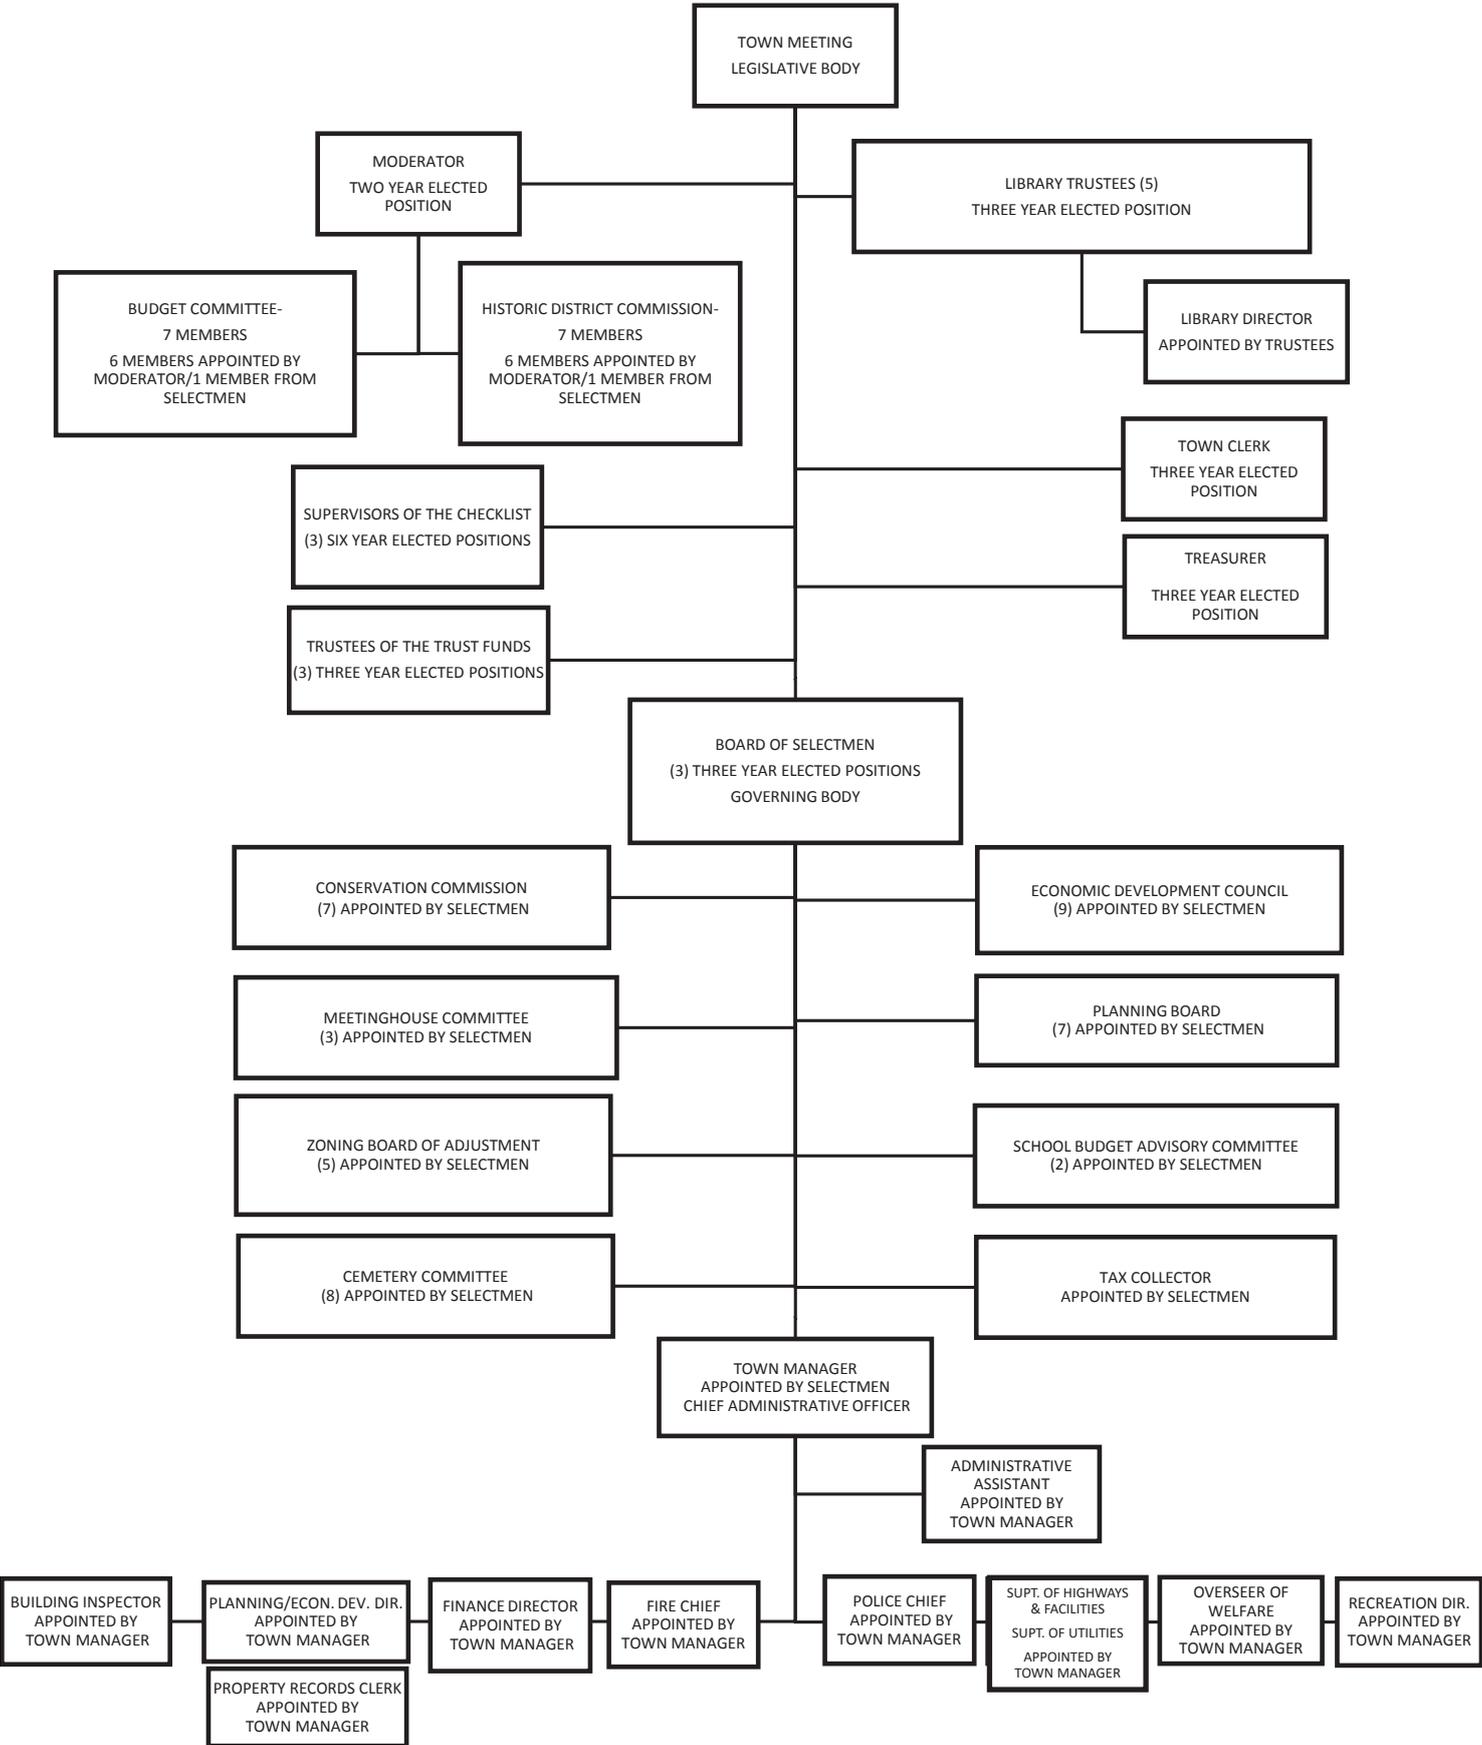

Other organizations and roles she serves are the Contoocook and North Branch Rivers Committee, Jaffrey's Earth Day celebration, genealogist for the Jaffrey Historical Society, and a Trustee for the Monadnock Community Hospital.

**We thank you, Carolyn,  
for your service to Jaffrey.**

## LAYMAN'S WARRANT

**LAYMAN'S LANGUAGE:** The Town is replacing and rehabilitating two reaches of the existing sewer main, including services, on Stratton Road. The first reach includes approximately 2,223 feet of 6-inch pipe, starting at Blake Street and extending upstream to Hamilton Court. The second reach includes approximately 485 feet of 8-inch pipe, starting at Howard Hill Road and extending upstream to Hamilton Court. The preliminary design of the sewer main rehabilitation was completed in November. This design recommends a combination of cured-in-place-pipe sewer main liners and dig-and-replace methods for sewer rehabilitation to balance a cost-effective solution. The sewer main work must be completed prior to commencement of the sidewalk and final paving projects anticipated this summer. Funding for this project is a combination of American Rescue Plan Act (ARPA) funds and New Hampshire Department of Environmental Services Clean Water State Revolving Fund, including principal forgiveness.

**Art. 3.** To see if the Town will vote to raise and appropriate the sum of \$750,000 (Seven Hundred Fifty Thousand Dollars) for the purpose of purchasing a replacement for Fire Engine One, and to authorize the withdrawal of \$350,000 (Three Hundred Fifty Thousand Dollars) from the Fire Department Capital Reserve Fund created for that purpose, and to authorize the issuance of not more than \$400,000 (Four Hundred Thousand Dollars) of bonds, notes or leases in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds, notes or leases, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, notes or leases and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said purchase. *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **3/5 Ballot Vote Required**

**LAYMAN'S LANGUAGE:** This article funds the replacement of Fire Engine One. The existing Firetruck has been in service since 1993 and the truck and pump need repairs that are cost prohibitive for a truck of its age. If approved the new firetruck would take 18 months to be built and delivered. The vote on the article would be to raise and appropriate the sum of up to \$750,000 and to authorize the withdrawal of up to \$350,000 from the existing Fire Department Capital Reserve Fund to be used as a down payment towards the purchase. The Select Board would be authorized to negotiate the issuance of not more than \$400,000 in bonds, notes, or leases to finance the balance of the cost of the truck. The balance of the CRF as of 12/31/2021 was \$440,474. Approval of this article would bring the reserve fund balance to \$50,474.

**Art. 4.** To see if the Town will vote to raise and appropriate the sum of \$1,522,100 (One Million, Five Hundred Twenty-Two Thousand, One Hundred Dollars) as a supplemental appropriation for the purpose of developing a new water source known as Cold Stone Springs previously approved at the 2020 Town Meeting. The total project costs increased \$4,300,000 (Four Million Three Hundred Thousand Dollars) and include acquisition of land, the installation of water mains to connect the new source to the water system, and to construct any related treatment facilities for the new water source, and any other costs related thereto, in collaboration with the Town of Peterborough. With total costs of the project to be shared, Jaffrey's share of the supplemental appropriation is \$1,522,100 (One Million, Five Hundred Twenty-Two Thousand, One Hundred

And further, the balance of the supplement appropriation is to come from grants and donations, and authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. Should this article be approved but the grants or donations not be awarded or received, this article shall be considered null and void. This is a special non-lapsing article and will not lapse until the project is completed or by December 31, 2027, whichever is sooner. *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **Majority Vote Required**

The supplemental appropriation covers the cost increases realized following engineering/design (due to COVID) in the total amount of \$4.3M, for a total project cost of \$16.9M, and costs continue to be shared with Peterborough. **LAYMAN'S LANGUAGE:** This article will authorize the withdrawal of up to \$25,000 from the Fire Department Capital Reserve Fund to replace the tires on the Fire Department Tanker Truck and to repair and replace the piping on its fire pump. The Fire Tanker is a 2004 and has the original tires which are 18 years old. The tires are beyond the life expectancy of the manufacturers design. Estimated cost to replace all 10 tires is \$10,000. The fire pump tank to pump and pump discharge piping is corroded and needs to be replaced. Some of the piping and valving was repaired in 2021 at a cost of \$5000. After the repairs, a major leak was discovered in the main piping of the pump. A temporary patch was installed to keep the truck in service. The driveshaft and other components of the truck need to be removed to make proper repairs. We are proposing to have all the piping on the truck replaced with stainless steel piping that will prevent future corrosion and extend the life of the apparatus. The estimated cost to replace all piping is \$15,000. All funds come from the Capital Reserve Fund and have no direct impact on the tax rate. Approval of this article and the previous two articles would bring the reserve fund balance to \$85,474.

**Art. 25.** To see if the Town will vote to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) to be deposited into the Retirement Buyout Expendable Trust Fund established in 2021 pursuant to RSA 31:19-a. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

**LAYMAN'S LANGUAGE:** Following the 2020 budget process that funded retirement buyouts for six people (nearly \$150,000), it was clear we needed to fund an expendable trust fund to ease the burden of funding retirements. There are seven employees within five years of retirement eligibility, with a liability of \$71,000. Funding the retirement buyout fund and funding at \$10,000 annually would eliminate the direct tax burden associated with buyouts due to their impact on the operational budget. **LAYMAN'S LANGUAGE:** The bond for the bridge replacement retired in 2021 freeing up \$40,000 of the Financing Plan budget. Funding the capital reserve fund would permit the town to conduct future infrastructure enhancements such as intersection improvements at Old Sharon Road and Route 202 and Transfer Station redesign. This appropriation does not represent an increase in the Financing Plan budget over 2021.

**Art. 27.** To see if the Town will vote to accept the Stone Arch Bridge Tax Increment Finance District Financing Plan. *Recommended by the Select Board (3-0).*

**LAYMAN'S LANGUAGE:** Creation of the Capital Reserve Fund in Article 28 amends the financing plan, requiring Town Meeting approval. The Stone Arch Bridge TIFD includes the businesses on Old Sharon Road, Coll's Farm Road, Hadley Road and Maria Drive. Also included in the District are the Town Wastewater Treatment Facilities, Transfer Station and Landfill. This revised financing plan proposes to establish a Capital Reserve Fund for infrastructure enhancements to the Stone Arch Bridge TIFD. These funds will be redirected from existing appropriations under the current TIFD Financing Plan and does not represent an increase in budget over 2021.

**Art. 28.** To see if the Town will vote to authorize the Select Board and the Conservation Commission to place conservation easements on all present and future Jaffrey conservation properties and town forests (designated as such in accordance with RSA 31:110). ## LAYMAN'S WARRANT

The tractor was purchased and the fund is no longer utilized. *Recommended by the Select Board (3-0).*

**LAYMAN'S LANGUAGE:** The Town of Jaffrey selected ReVision Energy through the proposal process to negotiate solar power arrays to the WWTP and Landfill. Lagoon closures at the WWTP will delay installation at the site. However, the landfill is not utilized and would serve as an ideal location for a solar array. This article would authorize the Select Board to negotiate an agreement in the best interest of the town.

**Art. 31.** To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for the support of Home Healthcare, Hospice and Community Services, a non-profit agency, for visiting nurses, hospice services, and meals on wheels to the residents of Jaffrey. INDEFINITE DELEGATION  
OF AUTHORITY

**INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN  
TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES**

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVICES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

**INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN  
TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES**

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

#### ***INDEPENDENT AUDITOR'S REPORT***

To the Members of the Board of Selectmen and Town Manager  
Town of Jaffrey  
Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey, as of December 31, 2020, and the respective changes in financial position and, the respective budgetary comparison for the general and sewer funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## TOWN OF JAFFREY, NEW HAMPSHIRE MANAGEMENT DISCUSSION AND ANALYSIS 2020

As management of the Town of Jaffrey, NH, we offer readers this narrative overview and analysis of the financial activities of the Town for the fiscal year ended December 31, 2020.

### **OVERVIEW OF FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements comprise four components: 1) government-wide financial statements, 2) fund financial statements, 3) notes to the financial statements, and (4) required supplementary information. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### ***Government-wide financial statements.***

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of Town's assets, liabilities, deferred outflows/inflows of resources, with the difference between reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *statement of activities* presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The government-wide financial statements include general government, public safety, roadways, cemetery, library, trust and capital reserve funds, grants, conservation, sanitation, culture and recreation. The business-type activities include water activities.

#### ***Fund financial statements-***

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental, proprietary funds, and fiduciary funds.

***Governmental Funds.*** *Governmental funds* are used to report on the general operations of the town. They are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, government fund financial statements focus only on *near-term inflows and outflows of spendable resources this year*, as well as on balances of *spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's current financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

An annual appropriated budget is adopted for the general fund and sewer fund. A budgetary comparison statement has been provided for general and sewer funds to demonstrate compliance with their respective budgets.

***Proprietary Funds.*** *Proprietary fund* reporting focuses on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. The proprietary fund category includes enterprise funds.

## AUDIT

Enterprise funds are used to report activity for which a fee is charged to external users, and must be used when one of the following criteria are met: (1) activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges, (2) laws or regulations require the activity's costs of providing services be recovered with fees and charges, and (3) the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs such as depreciation or debt service. The primary focus on these criteria is on fees charged to external users. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Specifically, enterprise funds are used to account for the water operations, which is considered to be a major fund.

**Fiduciary Funds.** *Fiduciary funds* are used to account for resources held for the benefit of parties outside the government, such as developer's performance bonds, capital reserve and expendable trust funds belonging to other governments, and trust funds for which the income is used for purposes that are not normally funded by the Town. Fiduciary funds are *not* reflected in the government-wide financial statement because these funds are not available to support the Town's own programs. The accounting used for the fiduciary funds is much like that used for proprietary funds.

### **Notes to the Financial Statements.**

The notes provide additional information that is necessary to a full understanding of the data provided in the government-wide and fund financial statements, and can be found on pages 24 to 52.

### **Required Supplementary Information**

In addition to this Management's Discussion and Analysis the basic financial statements and accompanying notes are followed by a section of required supplementary information.

This section includes the following information:

- Schedule of the Town's Proportionate Share of Net Pension Liability
- Schedule of Town Contributions – Pensions
- Schedule of the Town's Proportionate Share of Net Other Postemployment Benefits Liability
- Schedule of Town Contributions – Other Postemployment Benefits
- Schedule of Changes in Town's Total Other Postemployment Benefits Liability and Related Ratios

## AUDIT

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year total net position was \$28,549,563, a change of \$1,453,911 from the prior year or 5.37% when compared to the end of the previous year.

By far the largest portion of the Town of Jaffrey's net position \$28,549,563 reflects its net investment in capital assets (e.g. land, buildings, machinery, equipment, vehicles, infrastructure) in the amount of \$18,568,176 less any related debt used to acquire those assets that is still outstanding. The Town of Jaffrey uses these capital assets to provide services to citizens, consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$5,021,695 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$4,959,692 may be used to meet the government's ongoing obligations to citizens and creditors.

### *Statement of Activities*

During the current year the Town's governmental activities net position increased by \$475,236. Total revenues of \$10,211,066 exceeded expenses of \$9,735,830. Property and other taxes generated \$5,618,368, motor vehicles fees \$1,278,701 in revenues for the Town. Other revenues consisted of charges for license fees, services, grants, contributions, and miscellaneous revenues.

The Town's expenses cover a range of services. The largest expenses were highway and streets 26.27%, public safety 25.74%, general government and sanitation 34.07% which accounted for 86.08% of total expenditures.

### **FINANCIAL ANALYSIS OF GOVERNMENT FUNDS**

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance related legal requirement.

#### **Governmental Funds**

The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirement. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of 9,985,683, a change of \$2,437,376 in comparison to the prior year. Key elements of this change are as follows:

General fund operating results	\$ 1,136,522
Major sewer fund operating results	14,604
Major permanent trust fund results	113,683
Nonmajor fund results	1,172,567
	<u><u>\$ 2,437,376</u></u>

## AUDIT

**General Fund.** The General fund is the Town’s primary operating fund and the largest source of day-to-day service delivery. At the end of the current year, unassigned fund balance was \$2,439,563, while total fund balance was \$4,727,932. The general fund unassigned balance increased by \$1,104,135 from last year. As a measure of the general fund’s liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

<u>General Fund</u>	<u>December 31, 2020</u>	<u>January 1, 2020 (as restated)</u>	<u>Change</u>	<u>% of Total General Fund Expenditures</u>
Unassigned fund balance	\$ 2,442,102	\$ 1,766,085	\$ 676,017	37.88%
Total fund balance	\$ 4,727,932	\$ 3,591,410	\$ 1,136,522	73.33%

### **General Fund Budgetary Highlights**

The actual revenues received were more than the budgeted by \$152,670. This is primarily due to the largest revenue from motor vehicle fees exceeding expectations by \$31,669, and building permits exceeding by \$11,133.

Operating expenditures were under budget by \$357,799. The Town under expended its budget due primarily in savings from personnel changes. Restructuring of the Department of Public Works resulted in a savings of nearly \$150,000 in salaries. Additionally, changes in health insurance to a higher deductible, lower premium plan resulted in savings of nearly \$60,000. The combination revenues and expenses returned \$813,083 to the general fund at year’s end, in the form of a budget surplus.

There was a difference of \$144,276 between the original budget and the final amended budget, which related to Federal grant money being received and expended.

### **CAPITAL ASSETS AND DEBT ADMINISTRATION**

#### **Capital Assets.**

The Town of Jaffrey considers a capital asset to be an asset whose cost exceeds \$20,000 and has a useful life of more than two years.

Assets are depreciated on a straight-line basis, with the original cost divided evenly by the useful life of the asset.

Total investment in capital assets for governmental and business-type activities at year-end amounted to \$34,369,027 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system, improvements, machinery and equipment, infrastructure. Upon review of Town’s Capital Assets several assets that have been disposed or do not meet the threshold were removed.

### ***NEXT YEAR' BUDGETS AND RATES***

As required by State Law RSA 75:8-a, all real estate within municipality shall be reappraised at full and true value at least every five years. The town had a revaluation in 2020 resulting in a new valuation of \$520,726,640, an increase of \$109M from 2019. The total net assessed valuation is the basis on which the tax rate for municipal, county, and local education tax is computed. An increase in the total net assessed valuation decreases the tax rate, while a decrease in assessed valuation has the opposite influence. As a result, the overall tax rate for Jaffrey reduced from \$34.80 in 2019 to \$27.53 in 2020.

Due to the revaluation, comparison of annual tax rates from 2019 and 2020 are not an “apples to apples” comparison. During revaluations, a comparison of the total tax effort lends a true comparison from one year to the next. In 2019, the overall tax effort was \$14,301,918 and in 2020, \$14,313,671 – an increase of \$11,753 or .08%. Town leadership made a conscious decision to keep the overall tax effort level due to the revaluation.

The tax rate is set by the New Hampshire Department of Revenue Administration, usually in October. The Town estimates a 2021 Municipal Tax Rate (excluding school and county component) of \$10.46 per \$1,000 property assessed value, an increase of \$.91 or 9.56% above the 2020 rate. This is due exclusively to the proposed addition of a road paving capital reserve fund of \$575,000. A property assessed for tax purposes at \$250,000 in 2021 will have an estimated municipal tax bill increase over 2020 of about \$228.

## ANNUAL REPORT OF THE TOWN OF JAFFREY ALICE W. POOLE FUND

To say that this past year has been a very different and difficult year for most of us, is an understatement. With COVID-19 and its variants, trying to follow the various suggested safety protocols, has made it hard to carry on our daily routines. The Alice Poole Fund Committee did however manage to have our regularly scheduled meetings, via online or at different venues, thanks to the flexibility of our members.

We continue to support the Activities Fund at the Jaffrey Rehabilitation & Nursing Center, in order to assist our local citizens who are residents there.

We also were able to help many of the elderly Jaffrey citizens, to remain independent and remain in their own homes, by remembering them with personal donations which could be used as fuel assistance or to help with utility bills.

Gift certificates were purchased from Market Basket and Rite Aid and certificates for clothing were purchased from Wal-Mart. These certificates, along with gas cards, were distributed during the Holiday Season and at other times during the year, to those in need. And again this year we were able, thanks to fully vaccinated members, to continue our annual tradition and brighten the Holidays with personal deliveries of Holiday flowers to our elderly and homebound.

We continued our donations to the Jaffrey Food Pantry, Shelter from the Storm and Santa's House in hopes of assisting as many people as possible.

We did not have any requests for Student Loans this year, but many of our past loan recipients were able to repay their student loans and for this we thank them.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

## SELECTMEN'S REPORT

The COVID-19 virus pandemic continued to wreak havoc on all of our daily lives, disrupting schools, businesses, social events and gatherings. Three vaccines became available in early spring and brought some relief. Unfortunately, more than 50% of the Town's citizens remain unvaccinated nearly a year later and have contributed to the continued spread of the disease. The safest and best way to defeat this pandemic is for many more of us to get vaccinated, not just for ourselves but for those around us who due to their age or special considerations cannot be vaccinated.

Selectmen Jack Belletete, Frank Sterling, and Kevin Chamberlain with Boston Post Cane recipient Don Lawler and his son Dan.

Town meeting was held again outdoors at the Hope Fellowship Church. We thank them again for the use of their parking lot. Of particular interest was the passing of a bond issue to cover the expenses to bring Broadband Fiber Internet connections to underserved areas of the Town. This bond and associated cost will be financed by Consolidated Communications, resulting in no cost to the Town. We are happy to report that all the fiber optic cable has been installed and connections are now available.

We continued with our ten year plan to resurface and rebuild the Town's roads by establishing a Capital Reserve Fund and appropriating \$575,000. We plan to ask for the same amount over the next 9-10 years to finance completion of this undertaking. To find out when your road is going to be affected, check the Town's web site.

The culverts/bridge to Letourneau Drive was found to be in failing condition and required immediate replacement. The Department of Public Works with the help of Mountainshade LLC crews were able to remove and replace the culverts in a single day limiting the disruption to the affected residents who live in the areas served by this bridge.

The Departments of Public Works, Fire, and Police all dealt with numerous road washouts that hindered safe travel on many of the Town roads due to the severe wet weather that occurred in late July. In a few locations some residents were unable to leave their homes. All Departments worked together to make the necessary repairs in a very timely manner allowing for safe passage for the affected residents and emergency services. Thank you to all Departments for providing a safe environment for all Jaffrey Citizens.

The Town through our Planning & Economic Development Department applied for and received a \$300,000 grant to further investigate the potential contamination at the WW Cross site and other potential brownfield sites in Town. At the same time the US EPA has committed to the removal of debris created by the fire that occurred in 2021. These steps are inching us toward bringing the site back toward being redeveloped.

## REPORT OF THE MODERATOR

Once again it is my pleasure to report to you, the voters of the Town of Jaffrey. The past year has been challenging in so many respects, including the election process. We began the year with the municipal election which was held on March 9th at the Pratt Auditorium. Due to the untimely passing of one of our Representatives to the General Court, Doug Ley, it was necessary to hold two additional elections, a Special State Primary Election on September 7th and a Special General Election on October 26th, both at the Jaffrey Fire Station. Veteran Moderators Bernie Hampsey and Bob Schaumann oversaw the first election as I was observing a religious holiday, and I presided at the second one.

Our Town Meeting on April 24th was held once again outside using a drive-through format at Hope Fellowship Church, and we thank Pastor Jordan Moody for hosting us. I am appreciative of the diligence of our Town Clerk Kelly Rollins, upon whom I can always depend with complete confidence; our Supervisors of the Checklist Vicki Arceci, Carolyn Garretson and Eunice Jadlocki, who went far above and beyond whatever their job descriptions call for and last but certainly not least, the many volunteers who gave so much of their time in ensuring that you, the voters, were able to participate in the process in the best possible manner. Thank you to Chief David Chamberlain and the Jaffrey Fire Department, the folks at DPW, and the Jaffrey Police Department for their reassuring presence. As the person with the overall responsibility for the election process, it is my job to ensure that every voter is treated with respect and made to feel comfortable, and that the elections are held according to the laws of the state of New Hampshire.

One last note: our Secretary of State Bill Gardner is retiring. Throughout his many years of service he has helped make not only our “first in the nation primary” a priority but has shown many times how much he values all of us involved in the election process at the local level. Thank you, Bill and good luck.

Respectfully submitted,  
Marc P. Tieger, Moderator  
Town of Jaffrey

## REPORT OF THE CEMETERY COMMITTEE

The Cemetery Committee was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Todd Croteau, Superintendent of Highways & Facilities, assists the Committee in its work. The Resolution establishing the Committee and the Cemetery Rules and Regulations are on the Town's website: <http://townofjaffrey.com/cemetery>

During 2021 the Committee met seven times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections, cleaning and minor straightening. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in a work session to clean, repair and straighten headstones in the Old Burying Ground and Village Cemetery. The Annual Meeting with the Superintendent of Highways & Facilities and the Town Manager is held each year in October.

Katsura Landscaping no longer cuts the grass for the cemeteries. We welcome Griffin Property Management who has been awarded the contract for that job. In April landscape improvements were made in front of the flagpole at Conant Cemetery. The newly installed plantings were paid for from the Bradley Trust Fund and were installed by Aaron Abitz of Katsura Landscaping. Watering of the newly planted area was performed by Dick Boutwell, Cathy Proulx, Bruce Hill and Charlie Turcotte. Also at Conant Cemetery there were two toppled markers, (by person or persons unknown), in both cases the D.P.W. was tasked, with the aid of some equipment, to reinstall the markers.

Village Cemetery has had a repair made to a broken tablet. The work was performed by Gravestone Restoration of N.E. at a cost of \$285.00, paid for from the Gravestone Restoration Fund. Bruce Hill has compiled a list of other tablet style markers, within Village Cemetery and elsewhere that are in need of repairs. At the Annual Meeting of the Cemetery Committee the committee recommended that an effort be made to repair a minimum of two or more tablet style markers per year. The Old Burying Ground has had two work sessions dedicated to straightening markers. A special "Thank You" to Todd Croteau (Superintendent of Highways and Facilities) for his help in that effort.

## REPORT OF THE CEMETERY COMMITTEE

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of this fund can be found in the Annual Report under Trustees of the Trust Funds Report. At last year's Town Meeting, \$3,000 was added to the fund. The Committee, at its October annual meeting, recommended to the Selectmen that the Cemetery Trees Trust Fund warrant article at Town Meeting be increased to \$5,000.

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this fund can be found in the Annual Report under Trustees of the Trust Funds Report. At last year's Town Meeting, \$1,000 was added to the fund. Minor gravestone repairs, cleaning and stone straightening were done by volunteers, mainly in The Old Burying Ground and Village Cemetery. Gravestone Services of New England was retained to do gravestone restoration work in Village Cemetery in 2021. The Committee, at its October annual meeting, recommended to the Selectmen that the Gravestone Restoration Trust Fund warrant article at Town Meeting remain at its present \$1,000.

In recent years, the Committee has co-sponsored, with the Jaffrey Historical Society, walking tours of Conant, Phillips-Heil and Village Cemeteries and the Old Burying Ground. The gravesites of various prominent Jaffrey citizens were visited on these well-attended guided tours (hand-out guides are available at <http://www.rs41.org/jhs/tours.htm>). A similar tour of Cutter Cemetery was held in June of 2021. Cathy Proulx and Dick Boutwell did an outstanding job on both the research and narratives. We are looking forward to our 2022 Walking Tour of St. Patrick Cemetery in June.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at <http://www.townofjaffrey.com/cemetery/pages/cemetery-inventories>.

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations and A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website: <https://www.townofjaffrey.com/cemetery> The Cemetery Committee has a page on the site under Boards & Committees.

The Committee thanks those volunteers, particularly Jeannelle Moore and Erick Healy, who have shown an interest in Jaffrey's cemeteries by devoting their time and energies to the care and maintenance of our cemeteries. We also welcome Peter Lambert, Member at Large and Philip/Heil Overseer.

Donations to the Gravestone Restoration and Cemetery Tree Trust Funds are always welcome!

## CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the third Wednesday of the month at 7 pm. As a result of the global pandemic in 2021 meetings were held virtually January through May on Zoom per the Covid-19 allowance. Meetings resumed in the Town Offices from July on as required. Meeting minutes completed by our excellent scribe Elizabeth Webster are posted on the Town's website and in the Town Offices. The Conservation Commission's section of the Town's website also contains information about the Town's conservation areas and a copy of the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey. Additional informative links were placed on the website in 2021 with the capable assistance of Judy Zola.

Numerous projects and activities were planned and undertaken during 2021. Conservation Commission members actively attended meetings of the ZBA and the Planning Board. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and attended site visits with the ZBA and Planning Boards. Site visits were made to Cheshire Pond Conservation Area, Children's Woods and Carey Park for trail development and restoration.

Our activities are detailed below:

- Cheshire Pond Conservation Area (CPCA): Lumber and materials were purchased for construction of trails. Coach Gascamp and 70 members of his Franklin Pierce football team hauled lumber and materials onto trails for building walkways and bridges. Work on the project included Jim Bearce, Bill Graf, Charlie Koch, Fran McBride and Marc Olshan a volunteer from Hancock. They continued their tremendous efforts throughout the summer with excellent results. The new trail includes bog bridges and raised boardwalks. Trail markers were installed. Herb Gramm donated monies for benches to be built in 2022. Maintenance of trails was required this year on several occasions due to increased rainfall & storms.
- Children's Woods and Carey Park: Gates have effectively reduced vehicular damage to wetlands. With approval of a warrant article at Town Meeting, Carey Road between the sewer access and the rail trail was reclassified as a Class B Trail. Members of Coach Gascamp's football team volunteered their strength and efforts in placing water bars on the Carey Road entrance to the park. Process has been initiated to have Monadnock Conservancy include Carey Park in the Children's Woods easement. The Conservation Commission will present a Warrant article at Town Meeting and will have the land surveyed.
- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2021 Town Meeting.

## CONSERVATION COMMISSION

- **DES Applications:** Numerous DES wetland permit applications were reviewed and site visits conducted with recommendations forwarded to DES. The commission filed a complaint with the DES re: conservation violations. In addition, the commission responds to community members who have questions relating to wetland and conservation issues.
- The memorial bench for Nora Barton Bryant was moved to the Town Common with the assistance of Superintendent Croteau and his capable staff.
- **Educational Programs:** Dr Matt Tarr, UNH professor, presented a well-attended multi-part outdoor program in June including a guided birding presentation along with information on invasive control of Buckthorn and Hemlock Woolly Adelgid.
- Dr. Robert Goodby, Archeology Professor at Franklin Pierce, requested permission to do archaeological testing for Native American archaeological sites on a parcel of land owned by the Town of Jaffrey. The Commission fully supported his efforts and has worked with him to assist however we are able. Thus far, he has identified Native American objects and will present a final report to the Town. Dr. Goodby also spoke at our booth at Riverfest with good interest and response.
- **Monitoring of Easements:**
  - Grey Goose Easement has new owners and was monitored in 2021 and found in compliance.
  - Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.
  - Children's Woods: The Monadnock Conservancy, as holders of the easement completed the annual survey.
- **Nutting Rd. Bridge:** The Commission members voted to financially support the Town through funds for the ARM fees required in the repair of the bridge. This transaction will be completed by submitting a grant request to DES for ARM funds by placing an easement on Carey Park.
- **Membership:** Two valued members of the commission - Pamela Armstrong and Fran McBride requested to become Alternate members. They will continue their consistent support. Two new members - Tom Ahlborn-Hsu and David Peragallo have joined the commission as regular members.
- Regular activities of the commission include representatives attending the Zoning Board of Adjustment - Elizabeth Webster and Planning Board meetings - Tom Ahlborn-Hsu.
- The Conservation Commission's representative to the Downtown Revitalization Committee is Elizabeth Webster.
- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Carolyn D Garretson and William Graf.

## CONSERVATION COMMISSION

- In 2022, the commission will continue its focus on participating in town meetings, building, improving and maintaining trails, supporting the town in downtown revitalization, transfer station improvements, working with the town schools on conservation, developing additional pocket gardens and encouraging pollinator gardens in town, provision of community education programs including assisting residents in land conservation.

As your conservation commission, we welcome your participation and input on all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

## REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business owners, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business-friendly policies and creating business and job opportunities which build on our retail and manufacturing base. Sam Hackler submitted his resignation from the Council. Sam, having a lifelong connection to Jaffrey, joined the EDC in 2014 and provided support and guidance for promoting our downtown. We appreciated his outlook from beyond the Town borders.

This year in review begins with the EDC prioritizing top issues to address in 2021:

1. Develop a Capital Plan for the TIFDs
2. Create a graphical representation of the intersection of the two downtown transportation projects (sidewalks Stratton Road/Peterborough Street and the dogleg/bridge)
3. Monitor the status of the dogleg project and move forward with public engagement
4. Bring the Broadband Project to Town Meeting for funding approval
5. Continue promoting the Revolving Loan Fund for businesses during the pandemic
6. Continue to press forward the W.W. Cross brownfield assessments and cleanup
7. Complete the Road Safety Audit for Old Sharon Road and Route 202 intersection

As the pandemic raced on through 2021, Director Carr, coordinating with TEAM Jaffrey's Stephanie Porter, continued the fast track loan program. In all \$68,000 was circulated in loans to small business start-ups, restaurants and businesses. Updates to State and Federal funding programs were posted to the Facebook page and the Town website. Carr joined the bi-weekly Department of Business and Economic Affairs meetings with Commissioner Caswell and Economic Development Directors from across the state.

In spite of the ongoing limitations created by the pandemic and supply chain issues, the broadband fiber build proceeds at a quick pace with installations anticipated for spring/summer of 2022. Evaluation continues on the proposed solar installation at the Wastewater Treatment Facility, the goal being access of renewable energy at the best financial return for the taxpayers.

The Environmental Protection Agency's Emergency Planning and Response Branch began its work on a partial site stabilization at the W.W. Cross site. In other Brownfields news, a Community-Wide Assessment grant was awarded in the amount of \$300,000 for completion of the W.W. Cross site assessment and others in Town.

The Downtown Traffic Project continues moving through the final design and engineering phase, with construction anticipated in 2023-2025. Two properties were acquired and demolition is scheduled for spring of 2022. Final design, environmental assessments and rights-of-way have been completed for the sidewalks and pedestrian improvements on Peterborough Street and Stratton Road. Engineers are coordinating with DOT on the downtown project.

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. In addition, we coordinate the Economic Revitalization Zone Program and Ch 79E tax relief programs for new development and redevelopment. We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

## HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic and architectural histories of our town. The commission worked this year with the Jaffrey Historical Society donating funds for repair of the Old Meeting House's Clock Tower. The Commission reviewed and supported the installation of a new handicap accessible walkway for the Melville Academy Museum. Additionally, there were reviews and advice given on numerous projects in the District including antique fence replacement, new roof modification, gas fireplace installations, new garage door install (with period related doors), window removal and replacements, and signage for the 1st Church of Jaffrey, and the Melville Academy.

The Town of Jaffrey is one of thirteen communities that have Certified Local Government status. This enables the Town to be considered for grants and services from the state. To be eligible the Commission reports yearly of its activities and updates to the NH Division of Historical Resources, Department of Natural and Cultural Resources.

With the Covid-19 pandemic the commission conducted its business by email and outdoor site visits. No formal hearings needed to be held. The Commission commends the residents and property owners of the District in working hard to meet the district's mission and we look forward to continue assisting in these matters.

Long standing commission member Dr. Jack Minter resigned from the commission this year having moved out of state. His commitment and contributions to this board and the community deserve praise and he will be missed. The position of "alternate" board member needs to be filled. If you are interested in being appointed to the Commission contact a member of the board or our town moderator for consideration.

## LIBRARY TRUSTEES

The Jaffrey Public Library Board of Trustees and staff shared in a historic year of changes to our daily lives alongside our community, as we faced the novel Coronavirus-19 pandemic. As the Monadnock Region found itself increasingly exposed to the dangers and everchanging path of the virus, the library adjusted its services accordingly to keep staff and patrons safe.

Throughout the pandemic, the library staff worked to maintain services in new and innovative ways. In 2021, the library expanded open hours, providing in-person services more hours than ever before. Even when faced with multiple building issues, including a lightning strike, our staff provided curbside pick-up of materials as well as on-line opportunities, programs on the lawn, indoor events and personal contact by phone.

The Library Board of Trustees wishes to thank the staff, particularly Ms. Julie and Ms. Andrea, the Friends of the Library, and our community for your continued support and patience during this challenging year. We thank you for your outpouring of kind messages and appreciation that we received in reference to ensuring access to library materials and services. Everyone stepped up and dedicated so much of their time and energy to consider the challenges we all were facing during the pandemic. The time and effort demonstrated by all to understand the ever-changing situations that arose and the difficult decisions that we had to make to keep our staff and community safe during these uncertain times is greatly appreciated.

We look forward to serving our community in 2022 and will accept the challenges that are sure to be ahead of us.

## MEETINGHOUSE COMMITTEE

The Meetinghouse Committee advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

Because of the Covid-19 Pandemic the Meetinghouse served as a venue for far fewer events than usual in 2021: Two Electric Earth concerts, one wedding, a memorial service, a Board of Selectmen meeting, and an actual (not virtual) Reading of the Declaration of Independence. And the annual First Church Fair returned to the Meetinghouse in August.

We hope that things will be such that the usual schedule of meetings and events can return during the 2022 summer season, not to mention the 250th anniversary of the Town of Jaffrey which will be celebrated in 2023 (a Veteran's gathering is planned for June 17th, the day in 1775 when the frame of the Meetinghouse was raised and the date of the Battle of Bunker Hill).

The Committee made inspections of the Meetinghouse in May and November. Several small projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff (primarily Gary Duquette): Inspection and servicing of the Town clock (overseen by Dick Boutwell and Kevin Sterling and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Life Safety Fire Protection.

No major projects were undertaken in either 2020 or 2021 but that's about to change: In the spring of this year Davis Construction—which did an excellent job in replacing the wood roof back in 2017—will commence work on the Tower, inside and out. This \$159,850 project is scheduled to be completed by July 1st in time for the Meetinghouse to host the annual Reading of the Declaration of Independence on the 4th. Michael Petrovick Architects of Keene are assisting in this work. The Town was fortunate to receive both a LCHIP (Land and Community Heritage Investment Program) and a Moose Plate grant, the two totaling \$78,500. Near the end of 2020 a solicitation went out to many citizens and friends of the Meetinghouse which happily resulted in \$7,990. An additional \$5,663 was donated by local organizations. In all, the following are supporting this significant project: *Anonymous, Jaffrey Center Village Improvement Society, Jaffrey Historic District Commission, Jaffrey Historical Society, Terra Nova Trust, David & Nancy Belletete, John Field, Jon & Lynette Frederick, Caroline & Clay Hollister, Gene & Margaret Pokorny, Cynthia Hamilton Rouvalis, Ann Royce, Kent & Betty Royce, Bob & Diane Schaumann, Betty Shea, Rob Stephenson, Kevin & Nancy Sterling, Marc Tieger and Harry Young & Carolyn Garretson.* We expect to continue pursuing funds for this expensive project well into 2022 and welcome all donations.

The project will involve replacing or repairing deteriorated wood and trim, re-gilding the clock faces and rebuilding some of the interior stairs and landings, restoring plaster ceilings and walls plus painting the entire Tower and west end of the main structure.

The balance of the Meetinghouse Trust Fund (established 1991) at the start of the year was \$11,772.91. During 2021 \$4,350.13 was added to the Fund (rental fees for the use of the Meetinghouse, \$1,050; an incentive payment from LCHIP, \$200; a donation with interest, \$100.13; and a warrant article at last year's Town Meeting, \$3,000). There were no disbursements from the fund. Income, Fees and

## MEETINGHOUSE COMMITTEE

Gains/Losses totaled \$36.82. At the end of the year the balance of the Meetinghouse Trust Fund was \$16,159.86.

For the sixteenth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 5th organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted through the winter months.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use. Many photographs & images of the Meetinghouse may be found at <https://rs41.smugmug.com/Jaffrey/Meetinghouse>.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use.

The Committee is hopeful that the pandemic situation by the summer will be such that the usual Meetinghouse events can safely resume and that some special gatherings such as weddings can also occur, and, of course, celebrations in 2023 for the 250th anniversary of the Town.

## MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park manager, the Director of the Division of Parks and Recreation, the Director of the Division of Forests and Lands, and the President of the Forest Society (Society for the Protection of New Hampshire Forests). Other guests include Antioch University MERE (Monadnock Ecological Research and Education) Project, Forest Society Recreation Manager, and Monadnock State Park volunteer coordinator.

The Commission met twice in 2021, once remotely and once at the State Park headquarters. Trail usage of the Park and trails that access the summit is slightly down from last year, but camping usage of the State Park remains high. As seems to be the case in most of the country, staffing positions have been hard to fill, putting a strain on resources and making it difficult to achieve goals for increased presence at trailheads. Plans for requiring reservations and fees at some of the more remote trailheads have had to be modified or delayed. The reservation system in place at the Park and primary trailheads continues to function well, and are still being considered for the other access points.

Monadnock Trails Week was well attended, after having been canceled in 2020. Several other operations were renewed that had been canceled the previous year. The number of rescues is still down from a high in 2019, but still higher than the years just previous to that. Many responses to emergencies were fulfilled by assisting hikers walk out, keeping down the number of rescue operations requiring litter carries. Timber harvesting planning and execution continues on several sites on lands surrounding these mountains, with careful plans to limit their effect on recreation uses.

Parking and other issues around the Pumpelly Trailhead continue to be of concern.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

## PLANNING BOARD

As we entered year two of the Covid-19 pandemic new development proposals have been minor. The Board was off to a quiet start with an application for a seasonal ice cream stand and a four-unit apartment building. Further developments were subdivisions, lot line adjustments and we closed the year with an amended site plan and self-storage facility. Taking advantage of the quieter meeting times, the Board opted to move forward with updating the Master Plan. Two chapters will be under development, in partnership with the Economic Development Council, an update to the long overdue Economic Development chapter, and a new Energy chapter. A brief survey was administered in the fall and work will continue through 2022. Stay tuned for opportunities to weigh in on these important issues.

Changes to the Land Use Code approved at Town Meeting included expanding density allowances in the Residential B and General Business A districts where water and sewer are available, and a bonus density if the project proposes additional units of workforce housing. Also approved was the allowance of two-family units on a smaller lot where water and sewer are available.

Due to restrictions on public gatherings and stay at home orders over the first half of the year, no workshops were held, and most board meetings were conducted on-line. Director Carr continued the partnership with the Monadnock Region Housing group to address regional housing needs as well as supporting the update to the Hazard Mitigation Plan and review of map updates for the FEMA Con-toocook Watershed Study. Check in with the Economic Development Council report for additional projects in the Planning & Economic Development Department.

We had several changes in the Board this year. Shirley Despres stepped down after serving many years. Her calm demeanor and support of new business with the long-term interest in the Town was an asset to the Board. William Taylor also resigned after stepping into a full membership role. His expertise will be missed. John Peard stepped up to full membership. At this time, we have up to five alternate positions available. With the planning work anticipated for 2022, we need your help! Please consider adding your voice to our group and working to steer our community forward into a bright future.

There are many important issues facing our community in the coming year. The Board enters the 2022 year energized and ready to work with our existing and future residents to build a better community. Thank you for the opportunity to serve.

## SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for registering voters and maintaining an accurate checklist identifying Jaffrey voters. Voter registration includes filing paper records in the Town Office and entering registration data into ElectioNet, the online database overseen by the NH Secretary of State's office. Changes must be made such as a voter's change of address, name or party affiliation, driver's license changes and removing individuals from the roles who have moved out of Jaffrey or have died. Supervisors met regularly to cross-check and verify that every voter's hard copy file matches the ElectioNet database to ensure all files are up to date.

In addition, Supervisors need to be present when checklists are being used at elections and town meetings. Supervisors certify signatures on petitioned articles to the Town Warrant, certifying nominations for state and federal offices and attend all Town Meetings and the School Deliberative Sessions to identify residents and provide oversight. Special sessions prior to elections to register new voters were held at the town office. Dates for these special sessions are listed on the Town of Jaffrey website. Procedures allow registration of new voters with the Town Clerk during business hours, or at the polls during town, state and general elections.

Every 10 years the state mandates a certification of the checklist, requiring review and removal of all voters who had not voted since the November 2016 election. This procedure is used because often voters moved from Jaffrey without notifying the Town to delete them from the voter list. It also removes residents who have died when the state has not been notified. Each identified voter was mailed a letter explaining their removal with dates for meeting with the supervisors and re-registering to vote. As a result, nine hundred thirty registrations were removed. Four voters who had received letters responded and re-registered to vote. Almost all the letters mailed were undeliverable.

The Secretary of State's office provided numerous webinars and zoom meetings including cyber security consultation and seminars on dealing with the global pandemic. Each of our Supervisors participated in the seminars.

The pandemic continued to impact voting this year. Jaffrey's Town Meeting was again held outdoors in a parking lot and was extremely successful. The Special Election Primary and the Special Election for Doug Ley's seat were held in the fall at the Fire Station. Many volunteers came forward to assist the voting process. These volunteers were indispensable, giving of their time and helping in many capacities to provide safe in-person voting, requiring masks as well as accommodating those voters who refused to wear masks. Election procedure training was completed with Zoom meetings for Inspectors of Election (Ballot Clerks). This entire voting procedure required extensive planning and the results were extremely gratifying with over 50 dedicated volunteers spending numerous hours to help assure a safe and successful election.

We are very appreciative of the dedication all volunteers and of Kelly Rollins, Town Clerk, Mark Tieger, Moderator, and Jon Frederick, Town Manager, along with many town staff assisting in the elections.

As of December 2021, Jaffrey has 3,336 registered voters.

The table below shows the number of Jaffrey voters for the past five years:

<b>Year</b>	<b>Voters</b>	<b>Dems</b>	<b>Reps</b>	<b>Undeclared</b>
2017	3970	1183	1258	1528
2018	4004	1204	1247	1553
2019	3934	1171	1194	1569
2020	4348	1437	1393	1518

## TEAM JAFFREY

We have survived 2021! Who would have known we would still be combating COVID for another year? We are thankful restrictions eased some, so some things felt and looked more “normal” this past year.

Although still unable to return to regular programming, we safely and carefully held some of our favorite annual events: Town-wide RiverFest, with our First Annual Car Show, two months of Concerts on the Common, Farmer’s Market, a smaller Scarecrows on the Common (of which we collaborated with the Library and Civic Center, offering free vaccinations during the day) and ending the year with Holiday Decorating.

Behind the scenes, and what we are most proud of this year, is we partnered with the Town and loaned over \$68,000 to businesses in need, as well as: granting other monies to our businesses for rent and signage, advertisements through Keene Sentinel’s Facebook Live and Discovery Map, and fit-ups for new establishments.

We welcomed eight new businesses to town, plus celebrated the Grand Opening of The Park Theatre. Congratulations and best wishes to the following:

- 1773 Ale House
- Bodywork by Meagan
- Cabana Falls
- Chaotic Lily
- Humble Ink Tattoo Studio
- Jax Permanent Makeup
- J. Briggs & Co
- Station 16
- The Park Theatre

With your continued and generous support, we will renew our commitment to 2022 and our downtown businesses. Please help us resume our commitment, desire, and hope to build, support, and improve downtown by making a tax-deductible donation today in the envelope provided or online at [www.jaffrey.org](http://www.jaffrey.org)

With our sincerest gratitude and thankfulness, we wish you and your family a safe, healthy, and hopeful 2022. May your holiday season be joyful and full of grace. May 2022 bring us back to more normalcy!

## **JAFFREY RINDGE MEMORIAL AMBULANCE SERVICE**

2021 has been a record-setting year for the Jaffrey Rindge Memorial Ambulance. Our crew of 28 members provided care to 1,131 patients and responded to 1,240 911 calls. Our crew met and exceeded all expectations for their loyalty and hard work, as they served our Jaffrey and Rindge communities during these difficult days. We are committed to providing quality patient care, with emergency transports to Monadnock Hospital, The Cheshire Medical Center, Heywood Hospital, as well as University of Massachusetts-Worcester, and Catholic Medical Center in Manchester. We thank our entire community for their continued support of our efforts to be the very best service we can be!

## JOINT LOSS MANAGEMENT COMMITTEE

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the Town of Jaffrey.

The JLMC consists of eight (8) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments).

The JLMC holds regularly scheduled quarterly meeting on the first Thursday of the month, during the months of March, June, September and December, and will hold special meetings whenever necessary.

Agendas are distributed and posted and the JLMC maintains written minutes of each meeting which are posted, made available to all Town employees and retained. Additionally, the JLMC conducts safety inspections of all Town buildings and promotes training for all employees whether job specific or applicable to all the Town's employees.

The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

The JLMC was able to add some much-needed safety equipment of AEDs to the Town Office and the Transfer Station. With the addition of these life saving devices all town employees will be getting certified in CPR/AED. All employees have also taken an online class of fire extinguisher training, with live practical's on using fire extinguishers, coming shortly. With the end of 2021 and following NHDOL rules a new non-management member has been chosen to be the chairperson of the JLMC. Judy Zola is the new chairperson and has been working hand and hand with the outgoing chairman for some time now. Judy will do a great job as chairperson, and I will continue to support her as she has supported me.

Respectfully submitted,  
Andrew Baranowski  
Chairman, JLMC

## CONTOOCCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The Contoocook & North Branch Rivers Local Advisory Committee, (CNBRLAC) completed a productive year in 2021 with a full slate of meetings and monitoring activities for the Contoocook and North Branch River communities. Like so many other organizations and Boards impacted by COVID we met each month virtually through May and beginning in June began to meet in person again at the Monadnock Paper Mill in Bennington. Despite the challenging situations a virtual meeting can present, CNBRLAC was able to productively meet, entertain applicants presenting their projects and complete our regular business.

Established in 1988, the CNBRLAC represents the fourteen communities that the rivers run through; Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard. The CNBRLAC performs statutory duties including permit review and management plan coordination. The CNBRLAC provides a voice for the Contoocook and North Branch River towns and cities through the river's designation in the New Hampshire Rivers Management and Protection Program. The CNBRLAC updates the Contoocook and North Branch Rivers Corridor Management Plan (CNBRCMP) <https://www4.des.state.nh.us/blogs/rivers/wp-content/uploads/ctc-plan.pdf> and coordinates the activities in it. Our website is [www.cnbrlac.org](http://www.cnbrlac.org). (As always, special thanks to river lover Luciano Lipari of Antrim for his volunteer creation and maintenance of our website).

This past year the CNBRLAC reviewed and provided comment on twenty-three proposed projects for Wetlands, Shorelands, Alteration of Terrain permit applications or other activities within the Contoocook and North Branch River's watersheds. There were few major projects besides Eversource work on transmission lines and bridge replacements on South Bennington Road in Bennington and Nutting Road in Jaffrey as well as NHDOT proposed intersection improvements at Route 202 and Maple Street in Hopkinton/Henniker. Smaller projects typically included improvements to camps along several of the impounded lakes/ponds along the river. In general, CNBRLAC comments to NHDES included encouraging leaving as much natural shoreline vegetation as possible, enhancing shoreland areas with additional plantings and encouraging low impact development (LID) techniques to handle stormwater runoff.

The VRAP Monitoring Program marked its twenty-third year in 2021. The VRAP Monitoring Program depends on the high-quality work of many volunteers each year who monitor river and stream health on the Contoocook and North Branch Rivers, and their tributaries at over twenty sites between Rindge and Concord. During the summer, volunteers collect river water samples and record the results of in-field testing. The resulting data are used to evaluate the condition of the water quality of the rivers. The information is shared with municipalities and their local officials, as well as to the State of New Hampshire and the US Congress. This data is available for viewing at [Publications | NH Department of Environmental Services](https://www.acsitefactory.com/publications) (acsitefactory.com).

CNBRLAC's elected officers which include Matt Lundsted, Chairman; John Haley, Treasurer and Marco Philippon, Secretary were re-elected for 2021.

The CNBRLAC work would not be possible without the generosity of all fourteen of its municipal supporters. Their support assures that the program has the resources that it needs to continue. Special thanks goes to Monadnock Paper Mills as they provide the committee with an in-person monthly meeting space which provides for a consistent venue with convenient accommodations.

## CONTOOCCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The CNBLAC meets monthly every third Monday at 7:00 PM. If you are interested in attending or participating, please call the Chair, Matt Lundsted, for in-person or Zoom meeting information. ## STAFF REPORTS

## TOWN MANAGER

Welcome to the staff portion of the 2021 annual report. I hope you enjoy the report and appreciate the work our entire staff contributes on a daily basis to the Town of Jaffrey.

When writing my letter last year, we were all thinking COVID would be a half year thing and we would return to normal by the summer. If we can take anything away from the pandemic, it is our strengthened resilience.

Once again, our March Town Meeting was postponed to April 24th due to COVID-19. Following the same playbook from the previous year, we held our Town Meeting in the Hope Fellowship parking lot. We had another beautiful day and completed the meeting in under three hours. I want to thank our elections officials and Town staff for a great team effort, once again. Also, thanks to United States Coast Guard Air Station Cape Cod for their Ocean Sentry flyby during their training flight.

Our summer weather events have increased in intensity the past few years. On June 30th, we were hit with a late afternoon high-wind event that knocked trees down all over town. Our Highway crew responded well and reopened all roads before sunset. They were tested again on July 18th when we were hit with nearly eight inches of rain in twelve hours. The flooding event damaged the majority of our roads and made many of them impassable. The Letourneau Drive neighborhood was cut off from town when the culvert system carrying Tyler Brook failed. Despite the amount of damage throughout town, all roads were made passable or detours established before nightfall. We have a great crew and they do a great job for Jaffrey.

In emergencies of the July 18th magnitude, our Highway crew cannot succeed alone. I thank all the people throughout town that pitched in to help with the emergency, making it a great community effort: Keith Dupuis and Mountainshade, Bruce Coll, Margaret Rivard, Apollo Steel, Red's, MDS, Fire Chief and Emergency Management Director David Chamberlain, the Jaffrey Fire Department, the Water Department, the Police Department and the Peterborough Fire Department.

We welcomed some new staff members and bid farewell to others. We added a Transfer Station Manager position and hired Nick Kavalchuk, then filled the part-time position, hiring Stephen Gray. The maintenance positions at the Recreation Department were removed and we created a Maintenance Technician under the Superintendent of Highways & Facilities. Spencer Lloyd was hired at the end of the year for that position. In the Recreation Department, Director Renee Sangermano left the town after six years of service and soon after, Program Coordinator Sarah Hooper departed for North Carolina. We hired John Kohlmorgen as our new Recreation Director in May and Samantha Bontempo as the Program Coordinator in October. Detective Chris Anderson retired from the Police Department in August after 15 years of service. Thank you for serving the Town of Jaffrey and good luck to you all.

## TOWN MANAGER

The following projects highlight our work for 2021:

- Route 202 dogleg project
- Solar at the Wastewater Treatment Plant and landfill
- Nutting Road Bridge replacement
- PFAS at Turnpike Well #1
- Letourneau Drive Bridge
- Brownfields Community-Wide Assessment Grant
- Cold Stone Springs alternate water source
- 10-year paving plan
- Stratton Road sewer main replacement
- Bryant and Sawtelle Roads water main replacement
- Consolidated (Fidium) broadband infrastructure expansion

With the passing of State Representative Doug Ley, the Town hosted a primary and special election to fill the vacant seat. As always, our elections team did a fantastic job running the unplanned elections. It is a pleasure to watch this group work throughout the year and at every election to guarantee that every citizen's right to vote will be protected and their vote will be counted. Thank you to Supervisors of the Checklist Carolyn Garretson, Eunice Jadlocki and Vicki Arceci, Town Clerk Kelly Rollins, Moderator Marc Tieger and our citizen volunteers for the pride you exhibit in your work and ensuring the integrity of Jaffrey's elections. You all deserve the highest praise from our town.

Thank you to Selectmen Frank Sterling, Jack Belletete and Kevin Chamberlain for their support throughout the year and embracing our long-term planning. Thank you to our entire staff – we have a great team in place that supports each other and works every day to make Jaffrey a better place than they found it. Finally, thank you to Becky Newton and Judy Zola for their tireless efforts composing the annual report.

Respectfully submitted,

Jon R. Frederick  
Town Manager

## FIRE DEPARTMENT

The Fire Department ended 2021 with a staff of nineteen (19) that included the Fire Chief, Assistant Fire Chief, one (1) Captain, two (2) Lieutenants and Fourteen (14) Call Firefighters. The department currently has Ten (10) Certified Firefighter II Firefighters, Five (5) Certified Firefighter I Firefighters, Four (4) Probationary Firefighters. Ten (10) of the Firefighters are Certified Emergency Medical Technicians (EMT), Two (2) are Certified Advanced Emergency Medical Technicians (A-EMT) and One (1) is a Certified Paramedic (Medic). Captain Mark Bosse retired from the fire department on December 31, 2021. Captain Bosse joined the department in November of 1986 as a call firefighter and worked his way through the ranks of the Department as a Certified Firefighter, Emergency Medical Technician, Fire Lieutenant, Forest Fire Warden and Fire Captain. We want to thank Captain Bosse for his countless hours of time responding to emergencies, attending classes, trainings, meetings, work details and other department events during his 35 years of dedicated public service to the Town of Jaffrey and surrounding communities.

Recruitment of new firefighters and staffing continues to be a priority for the department. The Select Board had a study of the Fire Department done by MRI. Following the recommendation of the report and with support of the Town Manager and Select Board we will be looking to hire Per Diem Firefighters in 2022. The per diem shifts will be scheduled during the weekday and weekend hours to help with response to emergencies and other Fire Department responsibilities. Anyone that is interested in becoming a call firefighter or has ideas as to how to help with staffing problems should contact the Fire Chief by email [firechief@townofjaffrey.com](mailto:firechief@townofjaffrey.com), at the fire station 603-532-8377, or visit the fire departments website [www.jaffreyfire.org](http://www.jaffreyfire.org) for information on joining the fire department.

We continue to maintain all the fire apparatus and equipment, so the apparatus and equipment are always in response ready status. 16 Engine 1 is in its 29th year of service and we will be asking for approval at the 2022 Town Meeting to place an order for a new firetruck. A leak in the fire pump piping on 16 Tanker 1 was discovered in the fall of 2021 and a temporary repair was done to keep the tanker in service. To make a permanent repair and allow for the Tanker to have extended years of service we will be asking for funds at the 2022 Town Meeting to have all the fire pump piping replaced and have new tires installed. We will continue to apply for grants and seek out other funding sources to help with the cost of training classes and future purchases of equipment.

The fire department trainings took place monthly and throughout the year as well as the firefighters conducted weekly equipment and apparatus checks. The trainings, equipment and apparatus checks are a priority, which allows the equipment, apparatus and the firefighters to remain in response ready status and to be prepared to respond to emergencies to the best of the department's ability.

With the generous gift from Mr. Peter Kimball, we were able to complete the project of acquiring some of the land next to the Fire Station. Now that we have ownership of the added land, we will be looking to develop a plan for a building expansion. The building expansion will allow for future space for the fire department operations and growth with a priority to have showering facilities for the firefighters to be able to shower after fires and other hazardous incidents.

We were able to bring back some of our community events in 2021. We had a successful JFD 5K Run for the Rescue and our Annual Open House and All You Can Eat Buffet Breakfast. Both events had great attendance and support from the Business and Community. The funds donated and raised are used to support the JFFCI Benevolent and Equipment Funds.

## FIRE DEPARTMENT

We are asking all citizens and property owners to make sure that the address numbers for their homes and businesses are installed. The address numbers need to be a minimum of **4 inches high, be a contrasting color from the background, preferably be reflective and be made of a strong material that withstands the weather. The address numbers shall be posted by the principal entrance to the property, be legible from the road that the property is on and be seen from approaching from either direction. Properties that are not visible from the road shall place the address on both sides of a post or mailbox at the entrance to the property.** Having your address number posted on the front of your home and visible from the street or at the end of your driveway will allow for first responders to be able to locate your home quickly during an emergency.

Smoke alarms need to be replaced every 10 years and CO detectors need to be replaced every 7 years. Anyone that needs fire safety information, has questions and or needs assistance with installing Smoke and CO detectors and or help with other safety items is encouraged to contact the Fire Chief at the Fire Station.

The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc. (JFFCI), the FAST Squad, local businesses, citizens, taxpayers and all the fire departments in the area that helped us in a time of need.

Respectfully submitted,

David M. Chamberlain, Fire Chief

Keith A. Dupuis, Assistant Fire Chief

## LIBRARY DIRECTOR'S REPORT

In December 2021, I celebrated five years as your library director. In that time, as the library transformed and evolved from a book repository into a vibrant community center for lifelong learning, we have added over 1,200 new library accounts! Such a profound impact affirms our mission and commitment to our core values of equity, diversity, community, stewardship, excellence and innovation. The library now welcomes thousands of visitors each month and engages our users in multiple literacies and new learning opportunities. And we have continued to do so throughout the pandemic.

Year two of the Covid-19 pandemic, coupled with multiple facility issues, put the Library's Pandemic Policy and Interim Service Plan to the test, both of which proved to be robust and adaptable to changing circumstances. Our policies and procedures allowed for a dynamic response to community needs, even while faced with pandemic surges and multiple building issues, including two roof repairs, chimney and brick restoration, and a damaging system wide lightning strike this fall.

Despite these challenges, we remained able to balance and restructure budget priorities to provide service to the public all year, with minimal disruption and within budget, and address new needs through careful use of grant funding and available trust funds.

2021 was our first full year open at 10 am, six days per week, operating 48 hours per week, with the building open to public access 43.5 hour/week. These new hours have been well received, and the additional hours have allowed us to expand programming options and services to meet community needs.

Throughout the year, the library supported public welfare with our new Farm Fresh Checkout program in cooperation with our local farmers, the fifth year of our community Seed Library, and a free mask distribution program, Mildred's Masks, supported 100% by community volunteers. We also served as a venue for two Covid-19 vaccination clinics, free income tax assistance through AARP, and as a supplementary pick-up location for the Jaffrey Food Pantry, which also supports our afterschool snack program. All of these programs were provided through partnerships and outside funding, at no cost to the taxpayer.

The Library provides a high level of individualized service, both in-person and virtually, as well as expanded digital offerings available 24/7 to cardholders. Our services include technology help, reference assistance, professional tutoring, and countless educational programs for youth, teens, and adults. We serve local residents of Jaffrey and Sharon, all middle and high school students in the Jaffrey-Rindge district, and non-residents locally employed in Jaffrey, as well as local institutions.

## LIBRARY DIRECTOR'S REPORT

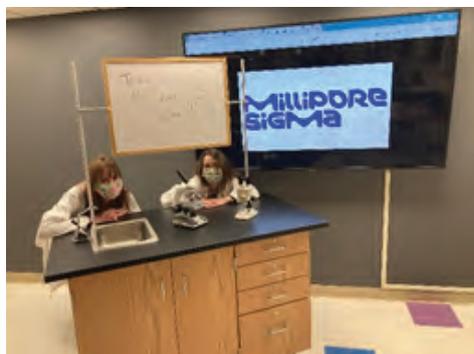

This year, we registered 179 new library users, bringing the total number of active library accounts to 4,653. Library staff answered over 18,300 reference and technology questions, and we had over 8,000 participants in library programs. The library provided a wide array of materials for checkout, including books, audiobooks, magazines, movies, technology, microscopes, sewing machines, STEAM kits, and Wi-Fi hotspots. Circulation, the number of materials checked out from the library, totaled 44,169 in 2021.

The Library's collection is diverse and relevant, with physical holdings at 35,259, and shared downloadable digital holdings of 37,232 eBooks, 33,035 audiobooks, and 3,922 magazine copies, available through the state consortium from *Overdrive*. We also offer 1,476 always-available digital titles for youth through our *TumbleBook Library* and an additional 1,159 digital titles for young adults through *TeenBookCloud*. These titles are available for free to all library cardholders, and many include added features and enhancements that promote access to all types of learners.

Because librarians will be the first to tell you that you can't believe everything you read on the internet, we expanded our digital offerings in 2021 to include many vetted resources for all ages. *Britannica Library* from *Encyclopedia Britannica* is our most used online resource, followed by our *AtoZ World Food* and *Food America* databases, full of regional information and recipes from around the world. Additionally, *Mango Languages* offers an easy-to-use app for language learning, and *Brainfuse HelpNow* has connected all of our local students to free professional tutoring and homework help, along with adult career resources, test prep, and even live help for your Microsoft Office questions. For world, national and local news, library cardholders now have free access to *Wall Street Journal Online*, along with thousands of news sources on Newsbank, including the *Union Leader*, in addition to the local newspapers available for in-library reading. We continue to provide free access to *Ancestry.com* and *Heritage Hub* for your genealogy pursuits, as well as multiple, reliable and current resources for answering your reference questions on multiple topics.

In 2021, we added 1,261 new titles to our physical collection, of which 356 (valued over \$9,886) were funded by grant programs and donations, at no cost to taxpayers. 1,136 items were withdrawn from the physical collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were donated to smaller libraries, local classrooms and preschools, and Monadnock Adult Day Care. This number also includes the deletion of titles from our system discovered missing during inventory.

In our commitment to provide you with the best possible service, we expanded learning opportunities through multiple grants and donations, valued over \$55,000! These grants and gifts allowed us to offset rising costs in other areas, and they have provided professional presenters, technology and collection support that would have been beyond our budget.

Another \$20,000 STEAM Learning grant from Millipore Sigma enabled the expansion and continuation of our science education, arts and technology programming, in multiple formats

## LIBRARY DIRECTOR'S REPORT

– in-person, online, and as take-home programs – and supported technology and flexible space modifications.

We were also honored with two national grants from the American Library Association to support diversity programming in 2021 and to continue that work in 2022. American Rescue Plan Act (ARPA) funds and a gift from the Community Center of Jaffrey provided for our new Book Bike which expanded outreach services, and additional ARPA grant funds through the National Endowment for the Humanities and the New Hampshire Humanities Council fully funded professional humanities programs and book discussions for adults in both 2021 and 2022.

Once again, our community's children were supported with grants from the Children's Literacy Foundation both for the library and in a partnership grant for At-Risk Children to provide for a library at Shelter from the Storm.

Finally, a technology grant from the NH Charitable Foundation will support our 2022 program, Project Grandparent, allowing us to better meet the needs of our community's grandparents who have taken on the role of caregiver to their grandchildren during the pandemic.

The Friends of the Library has continued ongoing funding for our mobile hotspot lending program, which supports not only patrons but this year also provided wi-fi to the Farmer's Market and Riverfest vendors. The Friends also provide our NH State Park Pass, as well as local museum passes, and *Ancestry.com*.

Both the Friends and Trustees provided for Learning Garden and landscaping services at the library, removing that burden from the taxpayers. The Trustees provided significant funds in 2021 (over \$77,000) for building needs and additional operating expenses, including the beautiful brick and chimney restoration by Given Masonry and regular facility cleaning of the library building.

Even as the new year dawns with some uncertainty, the library staff and the Board of Trustees remain committed to providing you with the best possible service in the safest possible way. Thank you, all, for your kindness and support. We look forward to serving you in 2022.

Respectfully submitted,  
Julie Perrin, MSLIS  
Library Director

## POLICE DEPARTMENT

*“The path of least resistance is flat and leads to mediocrity. Climb a mountain instead. Excellence resides on the summit.” ~TM*

As 2021 comes to a close I think most would agree that it was another turbulent year for us all. The COVID-19 Pandemic, social unrest, and political divisiveness continued to plague our country. Although our path through 2021 was not an easy one, I believe we again prevailed in our efforts to provide outstanding police services to our community despite the adversity.

As with 2020, maintaining our full staffing allocation of 11 full-time officers continued to be a challenge. Unfortunately, a valuable member of our team, Detective Chris Anderson, who had been on leave since 2019 due to a duty related injury, medically retired on August 31 after 18 years of service. This once again left us short-handed for the entire year. Recruiting a new officer for our vacancy has proven to be difficult as fewer and fewer people want to enter a profession that has been so highly scrutinized over the last two years.

On a positive note, 2021 saw some significant achievements for our staff members. Officer Ashmore successfully completed her military deployment and safely returned to us in April. Officer Lazzaro graduated from the Academy in May and completed his field training. Both of them have made significant contributions to our policing efforts since that time. In August, Jeremy LeBlanc was selected to assume the role of our new detective. Lastly, Denise Chatel, our Office Manager, reached 20 years of service with the Town of Jaffrey and was recognized for her outstanding work and dedication to the Jaffrey Police Department.

Fortunately, COVID-19 restrictions eased during 2021 and we were able to resume more normal patrol operations. We were also able to increase our community outreach efforts and we participated in events such as National Drug Take Back Day and McDonald’s Community Policing Night. We look forward to 2022 as we already have a few plans such as partnering with Station 16, our locally owned ice cream stand, to host a Cone with a Cop event.

Although social justice protests subsided during 2021, medical freedom protests in reference to mandated COVID-19 vaccination policies increased. Jaffrey experienced these protests at Millipore. We proactively coordinated with Millipore management, protest organizers, and adjacent property owners to ensure the people were able to exercise their civil rights in a manner that was safe, peaceful, and law-abiding. We would like to thank the stakeholders on both sides of this issue for their cooperation and willingness to respect each other’s positions.

Perhaps Jaffrey’s most talked about law enforcement issue of 2021 was the new Town Beach Parking Ordinance that restricted parking to residents only. Whereas I am pleased that a relatively minor law enforcement issue took the #1 spot, it did cause considerable consternation for non-Jaffrey residents. It required us to work closely with our Department of Public Works to ensure new signage was installed, and our Recreation Department to assist in educating citizens. In the end, many warnings were issued and only a few actual tickets needed to be written. Most Jaffrey residents were very happy to see less crowding at the Contoocook and Shattuck Beaches.

Overall, our crime statistics were down for 2021. Our crime index number as reported by City-Data.com continues to be in the low 100’s where the national average is approximately 270. This speaks highly of our residents, our police department, and reinforces our premise that Jaffrey is a safe community in which to live and work.

In closing, I will repeat my statement from last year’s annual report as it still applies. I am very proud to be serving as the Chief of Police for the Town of Jaffrey. The men and women of our agency are fortunate to serve a community that values us and supports our mission. For that we are grateful and we promise to do our best to create and sustain a law enforcement culture in Jaffrey that is based on mutual respect, trust, and understanding.

Respectfully submitted,  
Todd A. Muilenberg  
Chief of Police

## PROSECUTOR'S OFFICE

In 2021, the Covid-19 Pandemic continued to have some impact on court operations. While in-person trials resumed in the summer of 2020, other hearings were largely conducted telephonically. In October, full, in-person hearings were being conducted in most courts. Telephonic hearings were practical and primarily successful but still frequently resulted in delays before cases were resolved. DMV hearings also returned to in-person, but continued to schedule hearings via the internet application WebEx. As the year came to the end, we were still sifting through the backlog of cases originating in the height of the Pandemic. Statistical numbers were lower than in the past but remained consistent with 2020 activity.

Another new Judge was assigned to the Jaffrey Court. Justice Patrick Ryan was given a Judicial appointment and is now serving in the 8th Circuit which consists of the Jaffrey and Keene courts. Judge Ryan is familiar with court operations having previously served for many years as Clerk of Court in the Keene Division followed by several years as the Regional Court Administrator. While maintaining a pleasant yet professional demeanor from the bench, he runs each court session efficiently.

Our juvenile and adult diversion programs continued to operate via hybrid and in-person sessions. We referred 4 juvenile cases to diversion through our partnership with the Hillsborough Office of Youth Services and 1 adult defendant to the Merrimack County Diversion program.

The Circuit Court has jurisdiction over all misdemeanor cases including drug and alcohol related offenses, DWI (drugs and/or alcohol,) simple assaults, domestic violence, trespass, criminal mischief, suspended driver's licenses, fugitive from justice cases (both felony and misdemeanor). It also presides over violation level offenses, traffic related offenses and town ordinance violations.

In cases where it is applicable we have had \$2,715.83 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

Revenue received through discovery fees in 2021 was \$ 25.00.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2021:

<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>
536	429	381	267	272

Of the 272 cases, 15 were juvenile, 20 were motor vehicle, and 237 were adult criminal cases. There were 11 summonses issued under the personal possession of marijuana statute and 28 Town Ordinance violations. In addition, there are 105 cases for which bench warrants have been issued and 23 cases in default that remain unresolved.

**Highway:** Crews performed a number of maintenance operations on town roads this year. This included sweeping, pothole patching, replacing signs, culvert replacement, catch basin repairs and grading of gravel roads.

On Saturday and Sunday, July 17th and 18th, a torrential rainstorm hit Jaffrey. The excessive rain washed out roads and culverts which left a number of residents with no way to

leave their homes. On Sunday morning, DPW staff and local contractors mobilized to reopen roads and reestablish emergency services to all neighborhoods that were affected. By nightfall on the 18th this task was successfully completed. For the remainder of the summer and into the fall Highway staff and contractors worked at making permanent repairs to the damaged infrastructure. I would like to thank all the contractors and their staff that set their plans aside and came out to help the community when we needed you most; Bruce Coll and CNC Trucking, Keith Dupuis and Mountain Shade Excavation, Cliff Pelissier and Apollo Steel, Matt Peard and Monadnock Disposal and John Peard and Red's.

The Highway Division teamed with All States Asphalt Incorporated to reconstruct Ridgecrest Road, Blackberry Lane, Old County Road and portions of Crestview Drive, Squantum Road, Great Road, Gilmore Pond Road and Bryant Road.

In 2021 we added three new employees in the Highway Division. Nick Kalvachuck was hired as the Transfer Station Manager in April. Stephen Gray was hired as a part-time Transfer Station Attendant in May. Spencer Lloyd was hired as a Facility Maintainer in December.

## PUBLIC WORKS: UTILITIES

2021 brought with it the continuation of the COVID-19 Pandemic. It was a tough year for all, but it showed us that if we work together, we can get through anything! Supply chain disruptions made ordering parts and pieces difficult as we had to wait months and months to get some of the needed equipment and parts used to run our water and sewer systems. Creativity was needed as we tried to get by with what we had, but we did it.

On the water side of things, this year brought 2 water main repairs, 3 service line leaks, 2 fire hydrant repairs, 2 curb stop repairs, 73 turn-on requests, 68 shut-off requests, 66 meter change-outs, 53 meter radio change-outs, 4 parts requests, 90 final meter reads (a lot of houses were sold this year!), 78 Dig Safe locates, and 4 new service inspections. The Water Department brought in a total of \$1,454,822.29 of total revenue in 2021.

The Town's Water Operators worked seven days a week performing daily checks and maintenance of the two water tanks, one booster station, and three well sites. Meters were read monthly, and 24 high water use checks were provided at no costs to residents who had noticed a spike in water use. Please call the DPW for a high-use check if you have noticed a strange and unexpected jump in water use. The average American uses about 3,000 gallons of water, per person, per month. However, this varies and the average residential household in Jaffrey uses roughly 4,000 to 5,000 gallons a month. Nine times out of ten a leaky toilet flapper or fill valve is the culprit of a high-water bill.

218 fire hydrants were flushed this spring and 252 were flushed in the fall. The Water Operators have also been sampling and testing the water according to our Monthly Sampling Schedule, provided by the State of New Hampshire. Testing is done to ensure that the water flowing out of your faucet is 100% safe to drink, cook, and bath in.

On the wastewater side of things, 221,850,000 gallons of wastewater were cleaned and returned back to the Contoocook River at a drinking water level of cleanliness. 7 sewer manholes were repaired, 35,705 feet of sewer mains were cleaned, 8 blockages on homeowners' lines & 1 on the Towns' side were addressed, 2,171,895 gallons of septage were received in our newly built septage receiving station, and 130.7 dry tons of sludge were processed and shipped out. The Sewer Department brought in \$1,997,270.25 of total revenue in 2021.

The contract Sewer Operators (SUEZ) have been working seven days a week to ensure that all the wastewater in town gets properly collected, remains contained within the system, and gets treated at our wastewater treatment plant to drinking water level standards. The crew performed daily checks and maintenance at the wastewater treatment plant and the five sewer pump stations which are used to overcome the forces of gravity within the gravity-fed sewer collection system. Maintaining 20 miles of sewer collection pipes, and keeping the wastewater treatment plant's

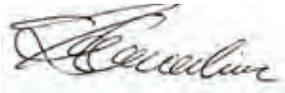

## **PUBLIC WORKS: UTILITIES**

biological and mechanical systems running smoothly is no easy task, but our skilled operators are always prepared to get the job done. Much like the drinking water systems in town, the wastewater systems are also tested for contaminants. The crews test the wastewater coming into the treatment plant, at key points within the plant, and at the end of the plant to ensure that safe, and clean water is being released back to the environment. After all, the water cycle that everyone learned about in grade school is constantly going on all around us. The Earth naturally circulates and cleans water. Here in Jaffrey, we perform this same process, but on a much faster timeline.

The Jaffrey Water and Sewer Departments worked around the clock to sample, monitor, repair, and keep the water flowing. We often take for granted the simple task of turning the tap and receiving fresh, clean, and safe drinking water. There is a lot of hard work behind the faucet in your home. The Operators in Town have missed holidays, had sleepless nights, and missed time with family over the years to ensure that the water gets delivered in a safe and reliable manner. Life on this planet began with, and continues to thrive, with water. Here at the Jaffrey DPW, we will do all we can to protect this natural resource for generations to come.

Please feel free to stop by the DPW, or give me a call if you have any questions or concerns related to the water and sewer systems in town.

Respectfully submitted,

Tony Cavaliere  
Superintendent of Utilities.

## RECREATION DEPARTMENT

*Summer Camp*

*Hobo Railroad*

*Youth Soccer*

The staff at Jaffrey Parks and Recreation Department consistently worked diligently to provide quality programs. We continuously pivoted and adapted (sometimes at the last minute) to offer programs safely during the Covid-19 pandemic. We were able to bring back some of our events for 2021 such as our Easter Bunny Express Home Visits, The Spring, Fall, Holiday Craft Fairs and Annual Tree Lighting and we are looking forward to bringing more events back in 2022, pending Covid-19 limitations. The parks, beaches, and playgrounds remained open throughout the year to provide public access to the health and wellness benefits of the Town's recreational properties. Contoocook Beach was not staffed with lifeguards this year. We hope to be fully staffed for 2022. We maintained and will continue to maintain the Chapter 155 - Article IV of Jaffrey Town Code which makes parking at the Town's public beaches (Contoocook Beach and Shattuck Park) for residents only.

*Tree Lighting*

*Ogunquit Beach Trip*

In 2021 we were still dealing with Covid-19. Programs and events had to be modified. However, many people were excited to be back in some capacity. We were able to bring back Moonlight Hike, After school 3v3 Soccer, Winter Explorer's Overnight, Skyhawks Flag Football Camp, Skyhawks Softball Camp, Camp Rec, Youth Soccer, Karate, Toddler Dance Creative Movement, Safe Sitter, and Adult Basketball. One of our favorite moments this year was the last day of Youth Soccer. We had a children & coaches vs. parents game. Let me tell you the parents were not holding back. They were

going for the win. The parents needed this just as much as the children. Seeing everyone having fun moving and engaging again was one of the true highlights for us this year.

In 2021 we were able to get back together for Senior Coffee, Create & Connect, Zumba, Zumba Gold, and going on trips again. This year we visited The Marina Brattleboro, VT, Old Mill Westminster, MA, Ogunquit, Maine Day Trip, Encore Casino Everett, MA, Hobo Railroad Lincoln, NH, Joey's Diner Amherst, NH, and Gift of Lights Loudon, NH. Our Covid-19 guidelines had changed throughout the year and we are sure it will continue into 2022. Covid-19 has been a social disaster for everyone but especially our Seniors. We are so happy to see them back having fun and enjoying each other's company and creating new memories.

### THANK YOU

The Playground Fund has reached approximately \$11,000 in donations of the \$40,000 needed for the installation of Phase 2 of the Humiston Park Playground Project. We thank all the businesses, organizations, and residents who donated to the playground fund this year. Every dollar gets us closer to our goal. Together, we can build it!

We have a great team, however that doesn't just consist of Recreation Staff. We have help and partnerships from all over our town and community. The Department of Public Works, Water Department, Fire Department, Police Department, Library, Team Jaffrey, Park Theatre, VFW, American Legion, Subway, Santa, Conant High School Honor Society, Conant High School Interact Club, Chorus from JGS, JRMS, Conant, SAU 47 Management, facility and custodial staff, coaches, volunteers, and so many others. ## WELFARE DEPARTMENT

This year sure has been a challenging year for all. I hope this finds you all healthy and happy and in anticipation for the New Year.

The welfare budget showed a slight increase this year from last year. We've experienced an increase in the cost of housing. The Housing Relief Program is still accepting applications. These funds were allocated to CAP agencies and then distributed to landlords on behalf of individuals/families if qualified and were affected by COVID-19, that became behind on their rent/mortgages.

A big Thank You to private companies, Santa's House and the local churches for their support and help during this time.

Please see the below numbers for a breakdown of what was spent this year.

With warmest regards,  
Carrie Traffie

**Incorporated:** 1773

**Origin:** In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.
